

*Dr. Solorzano wrote his name on the big chalkboard in my room, which was helpful to me. He came in my room and talked with me. He was knowledgeable and I felt very comfortable with him as my doctor.

*Kathy (day shift) and *Anita (night shift in SSU) were awesome! Very helpful, compassionate, and caring. They went the extra mile to take care of my pain.

*Dr. Hullfish and her staff are great assets UVA. *LEANN in *Dr. Hullfish's ofc was very supportive & helpful, as was the rest of the staff. THANK you.

Good experience with each and every encounter. *Dr. Schirmer, his intern, nurse (*Anna). Went the extra mile to make the procedure as easy as possible.

In pre-reg., the girl who worked me up was fantastic. I think her name was *Regina. She was unbelievably on top of things and kept me informed as well as making sure any lung and heart issues I could have had were

To note: I was referred by my gastro surgeon to *Dr. Schirmer because he is retiring and felt that going to UVA and having this physician do the surgery because of his reputation in the field and because the facility itself is so prepared for any situation. And, even though I have to travel approximately four hours to get there, it certainly has proven to be the best road for me to travel with my dx. I met many of your employees and wish I had written all of their names down. They all need to know their worth to us, the patients; as well as their employer. I believe *Dr. Malhotra was very good at his job.

My entire visit was extraordinary great! *Dr. Malhotra's staff was excellent.

*Dr. Corbett was great with my son. He was thorough in explanations and very genuine.

Everyone was super, especially *Kelly Manor, NP. She was great!

Would definitely recommend *Dr. Darby -

*Dr. Levin's group of assistants were fine.

I have confidence in *Dr. Levin and those around him.

*Dr. Hendrick was amazing. I have never had anyone like her before. I trust her completely. Don't ever let her go anywhere else, I can not say enough good about her.

The surgical experience was comfortable and everyone was competent. *Dr. Chhabra was the best. Thank you for caring about me.

*Dr. Bilchick was great. UVA GREAT hosp.

My appointments are made with nurse *Irene Melo. She is very good and works with me.

*Dr. Strand performed a special colonoscopy and removed a large polyp that other doctors were not skilled enough to do. A great deal of appreciation to *Dr. Strand!

*Dr. Slingluff and staff were amazing. Thanks to all!!

Everyone & everything about my experience was excellent. *Dr. Slingluff was tremendous! I also appreciated *Kathleen Haden's care & concern.

#7. *Dottie was fantastic.

*Dr. Mason is amazing. *Donna NP & *Cindy NP are amazing as well.

Nursing staff was great. *Dr. Caldwell was #1 in my book.

The physician(*Dr. Hayes) was extremely patient. So were the nurses. They were knowledgeable and thorough when explaining information about the procedure.

*Dr. Smith did a brilliant job.

*Dr. Argo and all the staff were wonderful describing the procedure etc. excellent care.

Went to procedure quickly, *Dr. Argo and his staff made me very comfortable and explained everything very well. They are the best.

This is not my first go around with *Dr. Shami and her staff and it won't be the last. They are wonderful people and I have no fear of this procedure. A super physician.

Have received the finest care on all of my visits, *Dr. Shami and staff are the best.

Communication between *Dr. Singh and my cardiologist - Before and after - *Dr. Max Luna was excellent.

Truly, one of the most positive and rewarding experiences of my life. *Dr. Ragosta was/is fantastic, and the nurses and all staff superb.

*Dr. Hashisaki is first - class surgeon; one month from surgery all is going well; worth the drive from EP nurse gave frequent updates by phone. PACU nurse *Dan was very kind, & quickly managed Adam's pain. *Colleen & *Kelley on unit took great care of Adam overnight!

Thank you for the great care that was given to our son. We would highly recommend *Dr. McDaniel, & UVA to Pre-operative nurse *Jean was very professional & great.

Second time having a catheterization by *Dr. Gimple. Liked him very much.

If a colonoscopy can ever be a "good experience" this was it! Appreciated *Dr. Yoshida's wonderful concern. Recovery room nurse went above and beyond for myself and my family. She was truly wonderful. *Alyshia (I believe is her name).

My Dr., *Dr. Sandra Johnson with assistance from *Dr. D. made a scary surgery successful and I am grateful for their SKILLS. I'm so much better now.

*Dr. Weiss - A+++.

Could not have had better care anywhere - *Dr. Ferguson is great!

Very professional and caring! *Dr. Joseph Park is amazing!

*Dr. Singh explained everything in detail including showing my husband and I the areas of concern revealed on CT scan. Very important to us.

*Dr. Bruce Schirmer was very nice & very good. Thanks so much.

*Mason Porter was extremely helpful and delightful!

*Dr. Smith was very knowledgeable and compassionate. All staff very caring!

*Dr. Shildkrot is wonderful to work with.

Have and will refer *Dr. Kerzner to those in need of this surgery.

*Dr. Henry was very thorough in his explanation of the procedure. IV nurse was excellent.

*Dr. Peter Netland. Thank you so much!

*Dr. Yoshida is exceptional!

Loved the ice packs given to me post-op to use at home - really good & helpful - thanks. *Dr. Gwathmey explained what he found & gave me pictures from the tape - very helpful.\

From arrival with registration pre and post op. Amazed and grateful for professional kindness. We applaud *Dr. Gwathmey and all of the staff. Great job! Highest recommendations.

*Dr. David Brenin and the team at the cancer center was top notch! The care I received throughout the whole process was outstanding and I am grateful!

My RN was named *Jean she was tops. She got the IV in the first time. Very sweet and caring RN. You need

*Dr. O. was great. She took me earlier than I was supposed to have surgery. Made me feel at ease. She is wonderful. You need more caring drs. at UVA.

Excellent medical care by *Dr. Cui & associates.

The nurses at every step were wonderful. And *Dr. Carson is a great surgeon who seems to care about his patients. I felt very confident heading into the procedure that it would be done well.

*Greg, the nurse was amazing.

*Dr. Mangrum is great.

I will recommend *Dr. Yoshida and the center to others. I received excellent care, and felt safe and comfortable, I was treated with respect and was very well informed about the procedure and results.

Having had a few outpatient procedure at other hospitals, my experience at UVA were BY FAR the most outstanding! I will recommend your hospital to anyone and *Dr. O.!

*Dr. James Mann, MD is a wonderful person and doctor. He is outstanding in his field. *Dr. Mann is caring and takes the time to explain everything. I have all the confidence and respect in *Dr. Mann and his staff. Nurses *Jennifer & *Tula I wish to acknowledge both of them. They are very professional and dedicated to their profession and outstanding nurses and so very caring. Both of them are a credit to their profession. I hold the

#2, 3. *Dr. Yoshida was very good!

*Dr. Mike Ragosta MD is great!

*Dr. Henry and the nurses were excellent. They gave me a very clear explanation of what happened and what I needed to follow up.

*Dr. Henry is an excellent healthcare provider.

*Dr. Early and *Dr. McGreary were excellent!

*Dr. Ferguson was top notch, both in providing information and in performing a long and complicated procedure. *Anita the nurse was outstanding in her care.

I had local anesthesia by *Dr. Sandra Johnson. From my perspective, she is an excellent, and friendly, physician.

*Dr. Sandra Johnson has my utmost appreciation. I was fully satisfied in my conversations with her.

*Dr. Ragosta is super!

*Dr. Friel were very professional in his service and staff.

*Dr. Upchurch was and is very professional. Great service!

#10. *Charlotte - very good.

Nice to see, *Charlotte in pre-op room made us feel at ease and very well cared for.

Once again - privacy is here & you feel secure & I was relaxed. 4. "He is incredible". 6. "*Potter" was great.

8. They are all high skilled & people friendly.

All doc & nurses are very good to me. Was there could of time *Dr. Rome office & people were - very good. My primary _____ doc *Dr. Camporo. Been very good about _____.

Think the doc and *Nersie very much they where the best and think the staff.

*Nancy (*Dr. Mason's scheduling nurse) was VERY helpful.

*Dr. Mason is outstanding.

Excellent explanation of procedure by *Dr. Singh and nurse practitioner before procedure.

Excellent explanation post operative *Dr. Singh drew a picture of the procedure that he did; also nurse practitioner, explained what had happened.

I have nothing but high praise for the staff at UVA. They are courteous and showed compassion. My wife has very high praise for *Dr. Krupski. *Dr. Wheeler and *Dr. Krupski are both outstanding.

I has only good thing to say - about UVE - good people. #1. *Dr. Singh.

*Dr. Singh was the best, on everything done to me -

*D. Yoshida and her team were superb! VERY FRIENDLY, efficient, and professional - even given the potentially awkward circumstances of the procedure.

Amazing experience! *Dr. Smith and his team were so friendly, answered my many questions; explained everything in detail; so I had no worries. Thank you!!!

*Dr. Smith and his team took EXCELLENT care of me! The UVA Hospital staff was courteous and caring before and after surgery and during my overnight stay! I had to travel 2.5 hrs. for surgery and was well worth it! Thank

*Dr. Shah and the staff were all friendly, competent and absolutely 100% terrific.

Loved *Dr. Mason! She put me at ease.

I was impressed with *Doctor Mason and all the nurses involved.

During the whole day, *Sharron and *Hetti - were caring, efficient, pleasant, knowledgeable etc., etc., you could not ask them for more. Great!!

*Paula C. inserted my IV with excellent technical skills.

*Dr. Park spoke with my husband post-op and gave excellent updates, including pictures.

*Dr. Hain stock is awesome!

*Dr. Shami is outstanding from courtesy to competence, I do not see a way her department could be surpassed!

I have the utmost confidence in *Dr. Hedrick.

*Dr. Yoshida & the staff and nurses were very helpful and professional!!

*Dr. Yarboro was excellent - all staff - in operating room, recovery, pre-op and nurses on floor were great!

I had no concerns and greatly appreciate *Dr. Parks _____.

I was totally at ease with the nurses and *Dr. Redick.

*Jan the nurse was very personable and professional, and she placed the IV in a painless fashion on the first

My recovery nurse (*Chris, I think) was very kind and helpful. He did a great job.

*Amy, the procedure nurse was wonderful, kind and knowledgeable. *Dr. Argo is a fantastic physician. He is a skilled endoscopist and provides outstanding clinical care. I am a physician, and *Dr. Argo is the kind of doctor

*Dr. Friel is an excellent doctor - you can trust him and know that he will do his best -

*Dr. Tache-Leon provided excellent knowledge info prior to the surgery. Nurses were very good - professional.

*Dr. Tache-Leon is truly professional - I want him to be my dr. - In case of another surgery.

Our nurses, PCT's, etc., were AMAZING. The nurse we had for the majority of our stay (*Kelly) was by far one of the best nurses we've had ANYWHERE. We also had *Sarah as well as *Eva & *Heidi. Everyone went out of their way to be helpful and interacted so well with us as well as our son. FANTASTIC nurses on 7W!!!

*Darby was great.

*Dr. Joseph Park is excellent.

*Dr. Yoshida is the best!

#8. *Dr. O. is a very good, skilled physician. Would recommend her to anyone.

Everyone was extremely nice & helpful, especially *Nancy Pitts, *Dr. Furgerson & *Cindy Loffner. (I didn't get to see *Cindy this last time. I saw her on my first two visits.)

Your hospital & staff (nurses, *Dr. Fergerson, & every one I met) was super nice. They are the best! I would choose your hospital if I needed to be admitted again - They are all VERY helpful & caring. I love them all. Thank

*Dr. Williams and his staff did an exceptional job it was everything that we discuss at my visit before surgery, a

*Karen Wheeler was an angel in ER.

*Dr. Landen was great. Very informative and straightforward.

My pre-op nurse *Barb was great!! I was really nervous when I got there but when it was time to go to the OR I felt 100% better. She made me feel safe and cared for. Loved *Barb - she spent time with me. #1. Awesome - nurse was great. #10. *Barb was great - didn't even feel it.

*Dr. Wells, the anesthesiologist was outstanding. *Dr. Browne, the orthopedic surgeon was absolutely

All aspects of this encounter were excellent. *Dr. Browne and his team do outstanding work and are

*Dr. Hinkle is a compassionate individual who will make an excellent doctor - his care during my 7-8 hour stay

All my doctors were good (ER resident & attending and neuro resident *Dr. McConnell).

*Shawn in registration was great! He got me right back to a room.

*Dr. Jesus she was awesome very nice to my son.

These ratings are for the group of residents that meet with me *Dr. Burt met with me later and he was

My PC physician, *Dr. Evelyn Scott, and my Digestive Health physician, *Dr. Stephen Caldwell, had input all of my information in my chart; so questions were minimal.

I was seen immediately. I was also welcomed by "*Mel" (I don't know her last name) who I had previously met socially. That was very nice!

The care I rec'd was outstanding *Dr. Brudg and the resident were the best I could ask for -

*Dr. Tom and his staff were very caring of my age and were professional.

*Dr. Black was very caring and respectful. I had a pleasant visit even though I was in much pain.

*Dr. Rook (?) - resident - was wonderful! Finally transferred me out of hallway. *Dr. Reiser great.

Shout out to ortho *Dr. MacDonald, he called our private ortho MD in Washington DC so we could be seen

*Irena Burg was kind and caring. Knowledgeable & skilled.

Poor *Dr. Meredith Thompson had to give me news of brain tumors. She was wonderful.

*Stacy and the other nurse who took care of my husband were fantastic. Top notch! Wish I could remember her name. (She did OB before ED. She was AMAZING!)

ER resident was great - She was very concerned about my comfort and kept me informed. Ortho resident - *Dr. Casp - was also great. Very kind and didn't seem rushed.

UVA is one of the most impressive hospitals I've ever experienced. My husband had a stroke due to an aneurysm. I did not get to UVA until the morning of the 16th. The attention my husband received while in NNICU and the other 2 areas on the 6th floor were remarkable. I also want to mention several of the RN's that impressed me in taking care of my husband. I do not know the last names but their first names were *Kelly, *Alexandria, *Tim, *Matt and I believe *Robert. Thank you all for bringing my husband back to me. He got to Nurse *Bradley King was excellent. Mom was not use to a male nurse but he was very attentive, always listening to her and trying to make her comfortable. He was excellent with my mother. When she moved to another room and area, she had some really great _____ nurses. One in particular when we were leaving was excellent and so good with mom, because mom couldn't hear well she made sure mom understood everything she said. I would like to comment on *Dr. Michael Downes. He is such a great doctor and person. He does his level best to give the best of himself and MVA. He has been my husbands doctor since 2008. We are so blessed to have P.S. Words cannot express the great care and how carefully *Dr. Downs has walked with us down this long road! He is a very good doctor and humanitariun. Thanks.

I feel that I choose UVA because I have heard great things about the hospital and I could not have been treated any better. Thank-you for everything that your staff done for me and my aunt that brought me down there. You have a great hospital and I really like my dr. - he was *Dr. Smith. I really appreciate him.

We really appreciate the service on 3 Central. *Dr. Kirby and her team and *Dr. Arnold and his team along with the ER staff & dialysis staff get an A + from me and my wife. Thank you.

From my very first visit to *Dr. Brian Sauer, and T_____ *Milo. I knew I was going to be taken care of. tumor board met and decided *Dr. Zayfdun was the surgeon for me. I could not have been anymore informed in what they planned to do to me. *Dr. Z. told me exactly what he was going to do and I had all the confidence in him. My surgery was major but as I improve I realize how fortunate to have these doctors in my life. They truly changed my quality of life for the better. I will forever be grateful for the care professionalism and feeling better *Kali Cavanaugh RN and *Ruth Clements, RN were terrific!

PCAs on 6 E were very good *Alex and *George.

Dr. *Adam S_____ is the best excellent.

*Dr. Smith is an awesome surgeon - and he's so young - I'm sure he is & will be a leader in his specialty - spinal surgery. I read he is in the top 12 spinal surgeons in North America -

*Doni Berno - exceptional, caring nurse.

Thank God for *Dr. Upchurch and his staff and *Joe from ICU.

All outstanding A+ *Dr. Irving L. Kron, MD A+++ "the best."

*Ed Hunter, RN was very attentive to all of my concerns & those of my roommate. ALL staff very nice.

Nurse named *Liz, when I went into atrial fibrillation, pulled out all the stops, and immediately started a process to get me out of it.

I did not have surgery. I was in overnight for observation. The nurses were excellent & she stands out *Deamma and she wore her cap.

*Dr. Taylor (resident) and *Dr. Daniel Stein, (neurology) worked well with our family. *Dr. Taylor went above and beyond our expectations as the attending ER physician (neurology) in communicating very well...

Nurse *Mika was very nice. We feel she went above & beyond her call of duty. Very pleased with her.

*Dr. Megan Bray, her office staff in addition to all of the residents/staff in hospital made me feel safe & secure (at _____ the while way).

If having to go back I would like *Dr. Dudley to be my doctor again him and his team were the best to me.

If I had to go back I'd like to have *Dr. Dudley and his team again.

*Dr. Bashir and the entire 5 East were so helpful and attentive throughout my stay.

Everyone was great!!! Especially *Dr. Mary Jensen & *Dr. Susan Modesitt.

Exceptional care from *Brenda, *Jessica, the nurse *Melissa & *Doctor Megan during labor & delivery, *Brooke, all NICU employees, lactation nurses. Just over all great care from everyone.

I had a liver transplant at UVA and the transplant team have followed my recovery with great interest that has meant very much to me and my family. *Drs. Argo - *Maluf - *Pelatier as well as *Martha Perkins were and are a great asset to UVA as well as friends of me & my family.

Great staff on the 5th Floor *Katie!! *Tony Epps!! #1. 5th Floor.

I was on 6 East & *Brenna was my CNA or PCA & was so friendly & helpful. an EXCELLENT worker!

Our pediatric nurse, *Nicole, was amazing! All the docs we saw were wonderful student/resident *Thomas Ball was SO kind & helpful.

*Robin W. in the recovery unit was very kind in helping to get mu pain under control. *Dr. Cherry came to me pre surgery to answer questions and ensure I felt very comfortable with the plan. Every staff member was kind and helpful. I couldn't have had a better group of people caring for me.

Right from *Dr. Brochmeier's staff to UVA Hospital care, wonderful, perfect. No complaints. Everyone I came in contact with were professional, courtesy. Class A all the way. Wonderful experience. Wish I had gone there in Jan. when I first fell & broke my shoulder & arm.

*Monica - Excellent nursing assistant - only one to make sure I was cleaned up (providing warm wash clothes, helping with back care, drying skin). Also assisted with ambulation.

One nurse in particular was super in her attentiveness to her patients. I can't remember her last name but her first name was *Cate. They all were great but she was super great. (We called her Roadrunner.)

*Cath was personel were fantastic & *Ruth & *Tesse in particular. ...

Excellent care from *Dr. Lau & hospital staff.

*Drs. Bergin & *Kennedy are certainly top in they field of patient care. I trust *Dr. Bergin with my life & family care. Thank all of you for superior care..

IF there was anything above excellent, we would give it to this hospital and staff from every department! Terrific from curb service to *Dr. Traci Hedrick and entire staff! A "well congratulations" to a true _____ team.

Extremely satisfied with hospital staff and *Dr. James Brown.

Particularly attentive care from nurse *Delia Harrison.

4th floor ICU nurses * Staff where over & above in there duties & care of me. Very lucky person. Thanks to you My spine exploded in a car accident. Everyone did a great job. I have all my nerve function. Thank you *Dr. Elias and everyone in the ER, surgery, SICU, surgery floor.

Doctors *Hodges & *Rodgers are the best med staff I have ever encountered, kudos to both _____.

*Sarah Milaci was our nurse for 2 nights & she was outstanding. *Denise Young was the doctor who delivered our baby and she was amazing.

*Dr. Mallory Atkis was an amazing doctor. Her bedside manner and technical skills are excellent. I wish she were staying at UVA next year so she could always be my OB.

*Dr. Ferguson & his team are outstanding!

As a nurse of 28 years working @ a University hospital in ----, I found UVA a much more cohesive, patient focused health system. *Dr. Liu was excellent knowledgeable, kind and willing to educate about my neurological issues. I had been seen @ Johns Hopkins in the same week and sought *Dr. Liu for a second opinion. He is the The NICU is spectacular! *Dr. Lui & staff are awesome, especially *Alison Walton!!!

Overall, I had an excellent experience in L and D and maternal care unit. Especially excellent was my *Dr. Denise Young. What an amazing physician. I was blessed to have her in my delivery also the newly remodeled maternal unit is INCREDIBLE. So spacious, comfortable and clean. I highly recommend care @ UVA.

*Doctor James Brown is a very good & cares about you.

The nurses on the 4th floor was wonderful special thanks to *Alice Bradshaw, *Auria, *Brienne and all the PCA's and the wonderful Drs.

*Vivian was so focused and concern, she really made you feel comfortable, an at ease. Wish I encountered more *Josh, *Jimmy and *Seth were great. I couldn't ask for any better nurses than them.

*Kristen and the occupational therapists were amazing.

Good experiences with these CNA's *Gregory, *Grace, *Rosina, *Linda, *Chelsea W., *WANDA *Deja, *Dee *Bill is an EXCELLENT! Teacher/professor and nurse! Charlie NURSE. CNA excellent care!! #1. Wonderful bedside manner, attentive to patients needs; EXTREMELY thorough and professional; TOTALLY dedicated to patient care - - I would recommend teams to other family members who need help in future!

Wonderful experience in OT. I am in awe as far as projects are concerned. They were spontaneous. Creative and full of energetic proposals and projects. #1. *Misty Jefferson is very competent and *Lenore, *Kristen - 10+. #3. *Chelsea; *Grace, *Rosie. #4. *Ana Leonore *Marsha *Becky - OT in training. *Kristen is totally amazing; her enthusiasm in her job is to be commended infectious laugh.

*Ryan, *Seth, *Paul, *Graham, *Josh/*Richard were all awesome. Made it less boring in here.

CNA *Linda Fay was particularly caring and responsive to my mother's needs - She is a strong patient advocate!

*Linda Fay was particularly good! Case manager was also very helpful. #1. Never met the social worker.

*Dr. Vergales and *Dr. Kim and staff were absolutely amazing!!

Nurses were excellent! *Sarah & *Caitlyn on Labor & Delivery were so attentive & supportive. *Page on 8 Central was very helpful & patient with me & my new baby. Thank you!

*Dr. Lisa Hainstock was very good & listening to our concerns & questions & spending time with us answering all

*Adrian, RN on 8 Central was very reassuring & patient with me as a new & very emotional mom!

Phenomenal nursing staff. *Nicole Plowman was amazing with my son!

All of doctors were great to my new baby including *Dr. Patel, *Dr. McDaniel, *Dr. Kellins, and genetics doctor.

NICU consulted in delivery & afterwards, *Dr. Patel was great.

Both the doctors and the nurses were amazing and helped make an extremely scary situation better. We were lucky to have amazing nurses. (*Donna, *mark, *Bri, just to name a few - although ALL were amazing) and *Ben (resident?) made sure to keep us informed and genuinely cared about us & *Jacob also made sure we were

*Jess, the child life specialist, played an integral role in making my daughter comfortable and having the process

*Nancy, our nurse on the L and D Unit, Post Care was one of the most kind, loving, adequate care giver I have come across! She was a jewel to our family!

The resident named *Steve (can't remember his last name) - him and *Dr. Lammond (I believe) were amazing to me. They were calm and helped calm me and explain everything!!

My son had a nurse *Melissa when moved out of PICU. She was absolutely wonderful and understood how my son, who has Aspergers, needed to receive information to make him feel comfortable.

The PICU staff was incredible! I was so scared & worried & they were always comforting & would answer all my questions no matter how many times we asked. shout out to *Will! He rocks!

NICU nurses were awesome! Very friendly and answered all our questions - *Crystal was great! Love how they let us be involved in all her "cares."

We love *Will in PICU!

All the staff is amazing but especially *Will!

*Dr. Early, *Dr. McGary & *Dr. Middleton were amazing! Very attentive, let us be involved in our daughters

*Drs. Kellams and *Hainstock were wonderful and provided excellent care of our newborn.

*Sarah Milacci was our night nurse 2 nights in a row and she was wonderful!

Had two very well rounded kind, sweet, caring nurses caring for me & my son. Names: *Johannah & *Jessica.

My two nurses *Johannah & *Jessica. They were GREAT.

*Dr. Fullerton & *Dr. Murphy wonderful doctors. Could not have asked for a better team to deliver my son.

I could not have asked for better staff of nurses. We had *Nancy, *Reid, and *Jesse. They were amazing and so full of love for our son and our family as well.

I am thoroughly impressed by UVA's professionalism, commitment to quality and effective use of technology. I use Mychart for communications with *Dr. Ragosta and his office. They ALWAYS respond quickly and provide

*Dr. Erdbruegger impressed me as a lovely, caring human being as well as a competent physician.

I have moved to Virginia coming from St. Louis MO my cardiologist there recommended I see *Dr. John Dent at UVA, this is my third visit. I am very pleased with the doctor and his staff and everyone else at your institution.

*Suzanne Cassidy at UVA - HUGE HELP to get 2 EXPENSIVE drugs to go through w/our insurance! She has taken a huge weight off my shoulders!

*Dr. Albrecht and his staff are amazing. They are dedicated and professional. I would recommend his practice Love everyone, they all are very concern about my health & great teams. Love everyone, check-in, to radiology teams, blood team, everybody on the third floor team, also *Dr. Rahma, _____. They are caring dr. nurses, &...

We continue to be impressed with the exceptional care provided by *Dr. Emily, the nurses, and *Carol at the front desk when we check in.

*Dr. Lewis is an excellent doctor. You are lucky to have her.

We feel *Dr. Foff is the best! Extremely knowledgeable & caring we feel we are in the best hands for my husbands care, who suffers from multiple issues.

I have always felt lucky to have *Dr. Johnson treating me. The receptionists need to be acknowledged as they all extra friendly. Allen

*Dr. Kimpel is an especially good *Dr. He has discovered health issues and suggested follow up w/*Dr. Jamie Kennedy for causes other people did not think about. Open hear surgery rectified much of the problem & my family & I are so grateful for *Dr. Kimpel *Dr. Kennedy & *Dr. Gangani! *Dr. Kimpel continues to deal w/various arthritis problems for me, even calling 9:30 p.m. one Thursday night to try to make me more mobile &

I am so pleased with the patience of *Dr. Mosteanu and the thoroughness he conducts. He always follows up - his staff also cares, listens. I never feel like someone is rushing me and yet, I am taken back on time.

*Dr. Kirk is excellent. She always takes the time to listen and address my concerns.

*Dr. Wilson is simply wonderful!

*Dr. Albrecht and his staff are absolutely awesome. There's nothing I would change and nowhere I wouldn't travel to see this provider. UVA health system is nothing short of excellent. I am extremely pleased with my daughter's care! *Dr. Gangemi, *Rebecca RN, PICU staff, everyone is awesome!

I would also like to add that the care I have received from *Dr. Zazakos (before he left) and now from *Dr. Boyer and his staff has been absolutely amazing! I have had kidney cancer for over 10 years and I have no doubt that without their care, I would not still be here. *Dr. Boyer goes above and beyond to keep me going and We absolutely love *Dr. Romness and nurse *Pat. They are a terrific team and I completely trust them with the Amy is always happy to see *David. He make her day each visit she see's him. *David is very kind & thoughtful when he cares for Amy. Thank you, Amy's mom.

The time that *Dr. Srivastava have my care, everything is good and the rest of employee is very good, respectful and the nurses working professionally - I'm very proud for the care that I received.

*Selena Evans has over many years been helpful and caring - very professional and explains everything to me.

*Dr. Grosh is very thorough in his 6-month exams of my melanoma history. I appreciate his valuable time, thoroughness and advice.

*Dr. David Shonka has been a God send to our family. We thank God that we were able & lucky enough to have him as our physician. Please let him know he is greatly appreciated.

*Dr. John Gazewood is a very good doctor and a fine person. The nurses and his staff are very good. I do recommend *Dr. John Gazewood to family and friends.

I found *Dr. Densmore to be knowledgeable, supportive, and he focused on the many questions I brought. He was supportive also to family members questions. He shared test results by phone and on my chart. I am confident I will... during my cancer treatment.

*Dr. Rubendall and his staff is the best. Ever.

*Dr. Gurrola is a wonderful doctor, he's genuinely concerned for his patients and takes his time to make sure we understand everything that is going on. I always recommend him and anyone that is a part of the UVA team.

I continue to be extremely pleased with *Dr. Boyer & everyone I come into contact with the Fishersville facility. I feel I am receiving the best care available - don't know that I could ask for more.

The nurses in the infusion center were excellent, in particular C_____ & *Gwen. They all were kind caring and helpful. *Dr. Boyer also is an excellent provider I am glad he is my doctor. I trust him with my care.

*Dr. Fullerton is a fine physician, well-informed and definitely current in her medical knowledge. And she understands and is comfortable with the computerized medical record system. Stoney Creek is a well-managed I am grateful that *Dr. Dokun has Thursday office hours in Crozet. I live in Greenwood which is only 10 minutes away. *Dr. Dokun is amazing - He has helped me so much with my insulin dosage.

*Dr. Gonzalez was new to me. He was professional... whom I am to have a procedure tomorrow so as to alert him about my present condition. In other words, *Dr. Gonzalez went out of his way to help me. A+.

*Nancy (Ashton) Franklin is a valuable person in my life I've seen her nearly every month for several years for severe depression. I am a different, happier person who is going forward with her life since *Nancy has been a vital part of my health care! I would not be at this point w/o her skill and care!

The ultra-sound tech was very nice and informative. *Dr. Lippert and the other Dr. I saw were very competent When I visited *Dr. Gorsch; I felt that he would give me the best treatment & also the treated would be reasonable & not harsh. He was very honest & open to talk with. *Ms. Beard his assistance was the same both have good qualities. I would not go to anyone else due to my confidence in the staff. The nurses were great

*Dr. Commis is a superb doctor!

*Anne Hedelt is an excellent NP/provider. She is caring and helpful and clearly a skilled clinician. UVA needs MORE *Anne Hedelts!

*Dr. Vanessa Gregg is my usual provider, *Dr. Barrett was excellent and I felt very comfortable with her. I have always received excellent care at the breast cancer center.

I could not be more satisfied with the care I have received. *Dr. Showalter, *Carmel Nail, and the other staff were extremely sensitive to my needs, qualified in their roles, and courteous. These comments also apply to the In my experience *Dr. Hullfish & *Dr. O are excellent. Thank you.

As always, *Barbara Post & staff at her clinic at Northridge are the best UVA has.

There is a sensitive & very competent team in the Breast Clinic. They work well together to assist patients to be informed and involved in their treatment. *Dr. Brenin is clear & kind - has an informed and intelligent approach I wish every doctor and nurse's plus office staff like this office. *Mary Chandler is the BEST.

*Dr Singla answered questions and showed x-rays of several parts of my body where bones were broken. He showed magnified parts of all x-rays including that with hardware in it & showing no damage evident. He showed areas in spine where damage was evident and explained damage thoroughly.

Very pleased with the visit - *Dr. Shaffrey answered all our questions; his assistant and nurse were equally congenial & informative -

*Dr. Cropley must be an excellent teacher as well as provider. The interns/resident with him was also EXCELLENT - skilled at the procedures and in explanation -

*Dr. Barowitz and staff could not be better - they are amazing in all aspects of care and I am blessed to have a physician that is so knowledgeable and kind.

*Dr. Silvestre has the compassion of the lord, and he wants to help people feel better, he is a very understanding dr. who cares for his patients and helping them with their need.

*Dr. Lee is just a great person and I'm very happy I get to see her.

*Dr Norwood & staff are outstanding!

Love... *Dr. Purow.

I'm glad *Dr. Mary Vance was on *Dr. Law's team. This is the only surgery I've ever had. I tell her of my headaches & dizziness from the surgery and she do listen. SHE keeps an eye on the tumor left behind very closely. Montie is also great along with the lab crew. They are a breath of fresh air. They are gentle when dealing with me. They are professionals. That's the _____ to explain their servers.

*Dr. Park is great doctor. I recommended everybody to see *Dr. Park - _____ got best *Dr. Park & *Dr. Thomas Brown in ORTHOPEDIC.

*Dr. Cantrell and staff were excellent and very supportive during my pre surgery, surgery and after care. I want you all to know you have a wonderful "Superwoman" working for your hospital. If I could give an award for a doctor who willing to go out of her way to make the patient #1 *Dr. Cantrell has it!

*Dr. Portell is an excellent young dr. I think the world of him.

I was very happy with the treatment I received from *Larkin Muncaster. I would recommend her to anyone.

*Dr. B. Gail Macik is my all time favorite dr... She is extremely attentive to your needs and tries to be helpful in all way. She is one of the most through dr. ever. I appreciate her so much.

*Dr. Kollins & everyone in his office are amazing!! Appointments are a joy & not an annoyance like other doctor's appointments. The staff & *Dr. K are the difference!

I always have good timely appointments when I come to the cancer center. I just love *Dr. Brenin.

I am always treated at *Dr. Schenkman's with care and concern. I have been very pleased with my care since first visit and cancer disclosure in Nov. 2013. Great care, thanks!

*Dr. Blake Garman is professional, caring, and listens. I really am happy with him and hope he never leaves this practice. I appreciate the time he gives me. Thank you!!

While dealing with cancer I am so glad that I chose UVA for my treatments instead RMH. *Dr. Duska and her staff treats me with respect and to me she shows me that she is really concern for me & my health. *Dr. Duska I love you as my doctor keep up the (good work).

I had great experiences at the Digestive Health Clinic. Care has been efficient and competent - I feel like I am in the best possible hands. Everybody has been kind and very available especially *Dr. Copland and his nurse

*Dr. Amauri Gonzalez is one of the finest doctors I have had in my experience with my health issue. He is very easy to talk to and also listens to any of my concerns.

Everyone has been very courteous and knowledgeable so far. *Dr. Shayna Showalter is absolutely fabulous!

*Jennifer Hart PA or NP - I'm sorry I can't remember which _____ @ the moment was wonderful. *Dr.

Christopher Campbell was fantastic. All of the staff at the Breast Care Center are absolutely wonderful at what they do & *Dr. Harvey, *Tamara Fisher, etc. Also, the staff at *Jennifer Hart's office as well, and the Radiologists that performed my shoulder injections. They treated me with the utmost respect and did a fantastic job. Kudos

*Dr. Nishio is a very attentive provider.

I would recommend *Dr. Weiss, his team, and UVA to anyone. I have had 13 surgeries in your hospital in the past year and half and every time has been the best experience possible. Thank you.

Over all, my visit more than met my expectations. My appointment started 5 minutes early and ended 5

minutes early. I cannot remember the last time this happened to me. *Dr. Loughran was easy to talk to and very knowledgeable. His staff did an excellent job. There is not anything I would recommend to change. My

We (my husband & I) have seen *Dr. Laurie for many years and value her care of our "aging bodies!" She has always referred us to be "best" of U. VA, doctors for further care if needed. Now that we are in our 80's the trip to C'ville to see each of these excellent doctors is our problem!

I was referred to *Dr. Lau by *Ramzi Haddadia, MD in Beckley, WO. This was an excellent choice. I have a return visit with *Dr. Lau in February.

The staff were all very kind and helpful *Dr. Nass is by far the best doctor I've seen at UVA. He took the time I thought I deserved to listen and fully understand my concerns, then explained my diagnosis with care and so that I could understand. I felt that he truly cared for my health not only as a patient but also as a human being.

*Dr. Prol is great -

I am very pleased with *Amy Lieser N.P. She is very knowledgeable & concerned with me.

*Dr. Barrett has an ability to listen to me and help me understand what was happening to me. I would highly recommend everything was just fine, from day one. *Dr. Schroen always concerned and kind. I do not have any complaints.

I was going to another primary care doctor who did not send me for test - acted as tho my problems were not important. When I found *Dr. Kimberly Dowdell I was so happy. She helps me with my illnesses. She even got the test to help me find out what was wrong and I'm so thankful. Because I was in a lot of pain. *Dr. Dowdell and her staff are excellent! They are professional and kind. They helped me. I've been so ill and *Dr. Dowdell found out what was wrong and helped with test and medication. I recommend her to anyone. I feel much better about my well being - They all worked together to make me feel safe and that my issues were taken care of. As always I was treated like I was a special person - *Dr. Keeley is such a caring person.

*Dr. Whitehurst is well respected in this community. He shows great concern for me & my well-being. I listen to him, I do what he says & I'm a lot healthier now at 74 yrs young than I was in my 60's - just because he listens.

*Dr. Goldman reassured me as a patient, consulted w/her for a 2nd op for MS. Nurse *Peggy is wonderful very efficient & cares for her patients. The intern working with *Dr. Goldman at the time of my visit was very

This was a routine 6 mo. check up, but a medical problem had just come up. We discussed it with *Dr. Cheng and he ordered a test that same visit. When results were available, he ordered Rx to take care of the issue. His nurse, *Sandy, is wonderful! She is so professional & caring. The receptionist, *Cindy, is also a blessing! I never hesitate to call the office if I have a question regarding my father's care. (He is 91 years old with some I use "MyChart UVA" which is very good. I can ask a question or reorder my medications. I always get an answer from *Helen Molnar NP. She is very open to any questions I have and gets back with me quickly. I enjoy

*Dr. Bailey is the best.

*Dr. Green is great! Her really cares.

*Dr. Yu is a great doctor. No nonsense, she tells it as she sees it. She listens very well and is very proficient at

*Dr. Login is the best doctor I have ever had. He exemplifies what every doctor should strive to be.

*Dr. Statuta is the best doctor I have interacted with at UVA. She was friendly, thorough, and made me feel like I was her only patient of the day. She took her time to help me feel better and even when I was trying to minimize my symptoms. She encouraged me to have blood work to get to the bottom of my pain. I would see her every time if I could and wouldn't hesitate to refer anyone to her.

Very happy with all care I received at the UVA! Special thanks to *Dr. Campbell!

I would always recommend University Physicians Group based on my long-time experience - with my physician there, *Dr. John MacKnight. He is genuinely interested in my health/healthcare. He listens and gives good advice and always recommends what is best care for me - I totally trust him for my health care -

We love Miranda's doctor (*Dr. Isbell) and the entire staff.

*Nancy Franklin is the BEST. Also her nurse *Yvonne. I could NOT do without them.

*Dr. Sutphen has always been a kind, courteous, and thorough doctor.

*Dr. Park is the best thing since sliced bread. The man is WONDERFUL!

*Dr. Halpern was wonderful. I contacted her via email that my daughter's therapist felt an urgent need for hospital care for _____ and *Dr. Halpern made us an appointment for the next day to get the tests needed for admittance. Both she and *Judy Taylor (UVA teen health) were arranging in their care for my daughter. They

*Dr. Hatter goes above his duties as a physician. I have a lot of paperwork that was to be filled out throughout the year. He never hesitates to fill out and answers all my questions.

I am very pleased with the Neurology Clinic at UVA. I am especially pleased with *Dr. Gwathmey and *Ms Eggleston. They go above and beyond to help me with anything I ask. Both of them rate a "10" in my eyes.

*Dr. Bowman is the greatest!

Having known *Dr. Christopher only one year, with confidence *Dr. Christopher is the best (and my favorite) of all doctors & have met in my 83 years of life.

*Dr. Southerland is great!

*Dr. Deal and her staff are exemplary!

*Dr. Christopher Campbell is one of the finest doctors I have had the opportunity to know. He is superbly skilled, but also has the ability to communicate everything to the patient. He takes whatever time is necessary (according to the patient's perspective, not the doctor's - which can be a big difference) to make the patient understands what's happening, options, and what is to come. *Dr. Campbell always knows my full medical information, so I never feel like one of many, but rather a unique patient. I simply cannot say enough positive things about *Dr. Campbell and his entire team. UVA is lucky to have *Dr. Campbell as one of its physicians.

*Dr. Cantrell is a wonderful dr. & person. She made me & my husband feel very comfortable & put us @ ease w/the results of what was going on. She made us feel much better about the situation - Very kind. &

I want your group to know Dr. *Hong & Dr. *Jone J. work very well as a team. They are caring and very thorough doctors. My husband and I are both so grateful for Dr. *Jone * Dr. *Hong. I am thankful I am having my surgeries The staff is excellent. *Dr. Hong & *Dr. Jane Jr. are just totally excellent and I am blessed to have these 2 doctors and their staff they over see. Your health is #1 priority and you are cared for with the most respect & medical practice one could receive. Excellent office personnel especially M_____.

*Dr. Rubendall is financial at what he does. UVA is very lucky to have him. He is very understanding of patient needs and listens to what they have to say.

I traveled 700+ miles 3 times to get this valuable treatment from *Dr. Aaron Freilich. And it was well worth every mile and time traveled. I would do it again.

We are fortunate to hve "Hope Center" in Farmville! *Dr. Wolf and his staff are all very professional in every way! I served on the board at Southside Community Hospital for 37 years. I am extremely pleased with the

*Dr. Patterson and her staff was absolutely a joy to be around. She is very open and friendly. Her honesty concerning my situation was very welcoming. She is adorable & most professional at the same time.

Wonderful experience meeting *Dr. Shami and staff. Very professional and knowledgeable - would refer family and friends. The whole UVA experience was great.

*Dr. Dalkin explained my situation in terms I could finally understand. He is the first dr. that I have seen for my thyroid that really listened to me. I appreciate being able to see him as a patient.

*Dr. Grice is a true professional. Provided treatment regimen that gave patient relief to daughter's (Carol Anne) back. Extraordinary physician. Knowledgeable, friendly, down-to-earth and a true asset to the UVA team.

*Dr. Lin & staff are so wonderful & nice love, love them. Kind hearted and very professional.

*Mrs. Brenin is a very kind, friendly, compassionate lady. I think very highly of her and recommend her to everyone. Job well done.

In ten years, there hasn't been any problem, I love *Dr. Voss a very good doctor.

I have been extremely happy with care I have received from *Dr. Pudhorodsky and the staff.

Thank to *Dr. Belew getting to clinic - Doctor - Appointment in two week time all working together. Thank to all.

*Dr. Anderson always listens to my concerns and takes time to research any problems I am having - She is the

My memory loss is such a big issue. So for (2 years) a have not seen much improvement. It is the names of people in the past and also present. I am comfortable doing everything else I need to do. *Dr. Foff is

*Dr. Solenski was great in letting me know what was going on and what they could do. Very helpful easy to Thank you to *Chad for his excellent care & so nice.

I am looking forward to see my doctors soon. August 31 & Oct. 7th - *Dr. David Brenin also *Dr. Christine 11/29/15 *Dr. Santen was out of the country. He however phoned me to set up all things necessary to provide me with my _____ shot and provided me when to call him back if his arrangements did not work. Everything worked as planned with his nurse and supporting lab. Staff I am totally satisfied.

*Gretchen Banker was wonderful - very caring & professional.

All of the doctors at Culpeper Pediatrics are amazing! *Connie in particular is an excellent communicator and she is very thorough. She deserves a raise.

I love *Dr. Weiss. He made me feel so at ease about everything he was doing.

*Thomas Loughran has been my supervision oncologist for almost 10 years. I value his compassion, knowledge, understanding and patience. I pray for him and his research team who are involved in ground breaking efforts.

It must be tiring and often unappreciated. I am so grateful, as is my family, for his supervision of my care.

My wife will see *Dr. Russell on Oct. 12, 2015. Very, very, very , nice dr. and staff.

*Dr. Reid saw me, at my request, on short notice. My 94 yr. old mother now had the same experience of "getting in quickly" to see him when our doctor was full. I appreciate *Dr. Reid & _____ Primary Care.

This was my first consul with *Dr. Vranic. It was very satisfactory. Thank you.

*Dr. Roeder, was a very good Dr., she was very kind to me and I was there for a follow up visit and she was very thorough with my office visit. I appreciate her and I would recommend her to anyone.

I receive treatment from the Neurology Clinic for Parkinson disease. I visit every 6 months now. I had been coming once a year for the past 14 years. Experiences have been positive. This was the first time to see *Dr.

*Dr. DeVincentis is a very patient doctor. She listens to all our concerns and has led us the right path. We couldn't be happier than having her as a physician.

Congrats to *Dr. Goodman, *Dr. Cui, *Dr. Williams for their time and efforts "to find" me after the surgeries.

Thanks to *Dr. Browne calling me at home.

Always thankful to see *Dr. MacKnight and his staff - I'm followed every 6 months and he and his staff are awesome - very respectful of how I feel with regard to my medical issues and supports me and encourages me in things to do diet and health wise to maintain my health.

*Dr. Kenneth Leone showed me respect & that he was concerned.

We are very pleased w/the walk in sick clinic in the morning. *Dr. Isbell is usually who we see there. She's great.

Excellent nursing support from *Katie Heck & *Dr. Kellams!

*Dr. Lewis is wonderful! Responsive and caring. So is *Suzanne, her nurse -

*Stephanie McNerney was so wonderful - She had such a friendly disposition & really made us feel comfortable. Excellent provider.

*Dr. Jaffe is an excellent physician!

*Dr. Aarat Patel and his staff are excellent!

*Dr. Kozower is highly skilled in her professional and has excellent human skills. He is a very caring person.

*Dr. Fernandez is very personable and always receptive to questions or concerns.

*Dr. Prum office treated us the best that could be. Thank you.

In all respects *Dr. Gwathmey is among the very best physician I have ever experienced. He is an awesome

I thought *DR McMahon was very friendly and knowledgeable. If i need further treatment on my problem, I will call him. Very well liked by my family.

*Dr Douvas was amazing! He explained everything w/ my cancer & learned about me and my family. He spent a long time explaining to me what to expect.

My mother is literally a NEW PERSON after *Dr. Olsakovsky restored her sight. It is truly a MIRACLE. I believe mom will live a much longer life now. She has hope, energy, and a new lease on life. Prior to the surgery, when she was almost blind, I believe she was near giving up on life. She was depressed, hopeless, and had... whatsoever. May God bless all of you for all that you do for people! You are truly servants of God.

I love *Dr. Cantrell and have had only very positive experiences in her practice.

*Karen Finke is a very caring doctor, easy to talk to, and keeps my problem under control. She is a top notch

*Debra Morley is very efficient; returns calls in a timely manner. Is aware of my daughter as an individual is familiar with her, history & needs medically, gets needed items ASAP. She has taken time to sit with her and speak to her as an individual. I am so impressed with her as a person & a nurse. *Dr. Fountain is knowledgeable

*Dr. Daniero is an excellent physician, very personable, caring and professional. UVA is very fortunate to have

*Cindy was very helpful, carefully explaining what to expect during & after scheduled procedure. *Cindy helped me to feel confident & comfortable with my decision.

Receptionist *Dee was extremely knowledgeable and helpful. Everyone I dealt with was nice, friendly, and

*Michelle Beard is one of the best providers I've had. The office staff, nurses & other employees are very professional and _____. The facility is comfortable and most adequate.

*Susan Pollart is an extraordinary physician. She went out of her way to visit my _____ and me when he was in UVA Hospital for emergency surgery. She has been taking excellent care of us both for the past 15 years. Best

*Dr. Blackhall has been my palliative care doctor since early 2000 she is one of the most sincere doctors I've ever had for my server pain problems. UVA is very lucky to have her and I hope you all will do your best to keep her.

*Dr. K. Bilchick is by all means, the most caring dr. I have seen. The whole staff was way above what I expected. I would like to thank all of them. Daniel L. Conner

*Dr. K. Bilchick and all of his team were the best I have ever been to. Far more than I expected. I would like to say thank you to all of them. Daniel Conne

*Dr. Schenk diagnosed my problem that other doctors had failed to do he performed surgery that resolved the problem! I have not had any post operative complications. *Dr. Schenk is the physician that all drs. strive to be.

Everyone was very nice and friendly and ""*Dr. Smith is an excellent surgeon.

*Dr. Malhotra is a very competent, caring physician.

This doctor was my surgeon and she did an outstanding job. This visit was a follow-up visit, and the hospital made the appointment for me. *Dr. Yarboro is a doctor that is concern about her patients.

I like the service I receive at UVA. *Dr. Shu-Man Fu is very professional and knowledgeable about lupus and has helped my situation get better. I trust his decisions that he makes when it comes to my health. Thank you *Dr. Fu for all you have done for me.

*Dr. Helenius is knowledgeable and personable and takes time to discuss health-rated decisions. I have recommended her to others.

*Dr. Russell and the assistant were great - communicated very clearly and effectively & let me know what to expect. I think the communication skills were among the best I've experienced as a patient. Thanks to this team!

*Dr. Parente is excellent.

I am a retired pediatrician... in Western NC. I could go anywhere for my care but I am impressed by *Kathleen Hayden and her nutritionist colleague. They are highly competent, interested in my circumstances and I have known *Kim Leake since I first saw *Dr. Douvas nearly 10 yrs. ago. She has always been very helpful. I saw her this day because *Dr. Douvas was off. She was very thorough with examination & knowledgeable about my multiple myeloma & treatments.

This was the second time we'd seen *Dr. Potter and we received excellent care on both occasions. She was knowledgeable, caring and had a good report with my teenage son. If we have to return, our hope is that she I've only been with *Dr. Singer for a little over a year and we have managed to re-evaluate each of the 4 prescriptions I take both for whether they are necessary and, if so, at what dosage. I feel like *Dr. Singer has done a really good job at tailoring my health care to my personal needs and provided specific, clear advice. I'm just thankful for having UVA - Hospital in the state I live - *Traci Hedrick is a great surgeon, and has a great team I feel *Dr. Seaton is very thorough during my exams/visits and listens to my health concerns. He is very knowledgeable and shares that with me.

Everything went well. I like *Dr. Shine a good doctor...

We were pleased to see *Dr. Charlton again.

Was told *Dr. Pudhorodsky will be retiring soon. Hopefully you will find someone as good as he treats his patients. Your new offices are very nice and comfortable.

I have had multiple procedures performed at different places in the past 5-10 years. My experience at the UVA Hospitals exceeded all others in pleasantness, warmth and expertise. *Dr. Kern and his whole surgical and hospital care was exceptional. I can't conceive of it being any better.

The nurse was very kind & considerate and efficient. The doctor *Dr. Reid was nice and knowledgeable.

My daughter, Grace, is a newborn. We are new to the Virginia area & needed to select a physician for her. We couldn't have selected a better provider. *Dr. White is fantastic!

*Dr. Smith is amazing. He got the nurse to contact our health insurance & get my procedure approved while I was there. He always takes time with me. He & *Dr. Wilder are exceptional.

Since 2004 *Dr. James Mangrum and his staff, along with the device clinic, have taken my health issues dealing with my heart to highest levels so I can enjoy my life!

*Dr. Kennedy is an excellent professional who is kind, caring and generous with her time. When discuss my health care *Dr. Kennedy is always attentive and concerned for my well-being.

*Dr. Romness, as well as Nurse *Pat, always make my son seem like their #1 priority, no matter how long it's been since we've seen them! Always attentive and friendly. We're very lucky to have found them!

We went to talk about my daughter's anxiety with school. *Dr. Simmons was AWESOME!! Gave us wonderful reading material & tools to help cope/deal with her anxiety. It was like a weight had been lifted from my

*Dr. Andrea Courtney, is the best dr. we have had we hate to see her go. Family practice will lose a lot of patience when she leaves. We don't want her to leave.

Really liked *Dr. Park. Very caring.

*Dr. Stevenson is an excellent provider. He shows true professionalism and respect at every visit. We greatly appreciate having him as a care provider.

*Dr. Houpt was exceptional during my visit. He unhurriedly answered all my questions, sharing his expertise & advice for my medical problem. An outstanding visit I thought did not exist anymore in today's world of medicine, not because doctors are not good, but because there is very little time spent with the patient.

I actually say *Maheswari Murugesan & not *Dr. Mangrum which was fine with me.

My experience is always a great one. The staff is very patient and kind. *Dr. D'Sousa is the nicest, sweetest doctor I've ever had. She always listens and helps me with any problems I have.

I am so pleased with the care I have received that another family member is _____ *Dr. Gaughn as their *Dr. Morgan, residents & all other staff have all been very respectful, helpful & knowledgeable.

I came here for a second opinion and felt very comfortable with *Dr. Brenin and chose him for my surgery.

I have been Drs. *Smith, *Wheeler, and *Gray. They, as well as all support staff, were great.

*Dr. Anneke Schroen, and *Dr. Carmel Nail and all the staff at the Breast Center at University of Charlottesville

*Dr. Clebak is an excellent doctor. He is very knowledgeable and informative. He makes you very comfortable.

*Dr. Barrett is a very caring physician and very responsive to the patients needs.

I went for help & got it w/*Dr. Trowbridge. She's very pleasant, respectful & accommodating.

*Dr. Shirley was so thorough and kind during a very scary time for our family. I am so thankful that she is our doctor and that she cares so much. I really feel that she went above and beyond. (So did our daughter's

Have been pt of *Dr Geilker for many years. She is great! North Ridge is a nice place for a visit.

*Dr. Radigan & the entire hand center staff are consummate professionals - and a lot of fun as well. They are I love Stoney Creek Family Practice & *Dr. McCarter & the others.

I couldn't ask for a more knowledgeable physician than *Dr. Escanellas! That's why I come to see him all the way from North Carolina!! I was very happy to complete your survey. A+++ to *Dr. Escanellas & his staff!

I value *Dr. Anderson expertise and knowledgeable. She has done a lot for Sam and is very patient with our questions & emails. Thank you.

*Dr. Gibson is a first class physician!

All treatments were excellent- have absolutely faith in *Dr. Bauman.

I have given *Dr. Pearson the highest marks because he deserves them - he is outstanding.

Very satisfied and happy to have *Dr. Gaughan as my doctor since the retirement of *Dr. Weiss.

I could not be happier with *Dr. Heald and his staff. The pre-appointment procedure is very efficient and the medical care is superb.

At Forest Lakes UVA you have a woman working that is tops when it comes to service, respect, compassion - Her first name is *Gail!

When my usual provider was out several months on maternity leave, I had a problem with irregular heart beat & it was upsetting - *Dr. Somerville was my doctor for those few months and took care of referring me to

Cardiology and juggling some of my meds. I was impressed with his level of care and felt very comfortable with

*Dr. Wolf, and all that have cared for me at the HOPE Center are extraordinary. Their concern and compassion are genuine. The journey that I have taken is definitely not by choice, however, has opened unlimited avenues to bless others the way *Dr. Wolf and staff have blessed me. Our prayers are with them daily.

*Dr. Williams and his team are amazing! The entire facility is amazing. I am blessed.

I always have a good visit with *Dr. MacKnight. He always addresses all my concerns & takes plenty of time with me. Most of all I have complete trust in him and have had him for many years. He's very kind & considerate about my health and all aspects of my daily life. I would say he's the best doctor I've ever had and most of all I

*Dr. Janet Lewis & *Dr. Diane Mosteneau always take the time to listen carefully to me & answer my questions.

*Dawn Howell was most attentive & listened/answered all my questions/comments.

*Dr. Macik is an excellent doctor. Spends the necessary time to explain everything to me. I am lucky to have All my doctor's appointments have been very professional, with utmost courtesy. Would definitely recommend

*Dr. Geilker is a great caring doctor. I am very satisfied with all the services I receive at their offices!

I'm looking forward to having my procedure done by *Dr. Hendrick in the new year, she was very easy to talk to about all my concerns.

*Dr. Shimmer was super good! I've given his name to at least three people.

*Dr. Ballew is knowledgeable, friendly and thorough. He always gives careful consideration and suggests a well thought out treatment plan. On regular check ups he is thorough and on occasion, has found and headed off a

*Dr. Bowman is excellent dr. So helpful, knowledgeable and makes sure you understand your health situation.

*Kim Drewry is excellent & very personable! She is knowledgeable of breast cancer! *Kim is one of the main reasons I drive from Harrisonburg, VA to UVA rather than going to local cancer center!!

This was my first visit to *Dr. Jenkins. It is hard to judge a person the first time but I think I will like him - The first appointment I had at Zions Cross Roads was with *Dr. Saloman.

*Jennifer Prol was very professional and personal. She took plenty of time for my check-up, it was a pleasure to I absolutely love *Dr. E. He's very knowledgeable and kind. I feel very safe with the UV doctors.

I cannot say enough good things about this UVA clinic or Beam Lane in Augusta County. They have all been wonderful to me. *Dr. Ferguson is the best and giving, who checks my pacemaker, are tops.

*Jennifer Prol is a good person to talk to about my medicines, and other tests (blood work) (lab).

*Dr. Ryan Smith discussed my concerns in enough detail to comfort me.

*Dr. Ghanta is wonderful! The staff in ICU and 4 west are great. We felt we received best care possible. Everyone went way beyond the call of duty. Everyone extremely knowledgeable. Thanks!!!

I have been coming to UVA for years, and always have great care. *Dr. John Voss has been my doctor for at least 25 years, and my husband, for a year before he passed away, 2008. He had the utmost respect for *Dr. Voss and *Dr. Craig Slingluff is an excellent surgeon.

The orthopedic clinic staff goes out of their way for a positive clinical experience. I am grateful *Dr. Thomas Brown cares for my orthopedic needs. Since my orthopedic needs are complicated I ask that only he will do surgery on me and he complies - for that I'm grateful.

I clearly love the Forrest Lakes team. *Dr. Bentley Calhoun was my primary for as long as I went there which was I have a severe disability and *Dr. Early always talks directly to me and listens to my concerns. I have a trach and sometimes it is not easy to understand me.

*Kathleen is very competent - she knows her business. Good office presence and relates well to patients. I would recommend her to anyone!!

Visit to *Dr. Heim was excellent. He addressed the issue for the visit my concerns and referred me to a PT for *Dr. Yarborough was exceptional! He personally called me to keep me updated on my dad's progress & overall condition. He was genuinely involved & concerned.

*Dr. Wong is always very helpful respectful and a wonderful doctor.

*Dr. Bargmann is an excellent doctor.

*Dr. Russell and his team were helpful, courteous friendly, professional. Excellent team!!! Thank you.

*Dr. Laurie is an excellent doctor. Her staff is very positive and friendly. I regularly recommend her practice.

*Dr. Slingluff and his staff are wonderful, knowledgeable, caring, and helpful. One could not hope to have more compassionate experienced caregivers. I consider the team a true blessing in my life.

I have been exceedingly happy with my healthcare providers at UVA. While normally in excellent health, one year ago this month I found out I had breast cancer - quite a shock! My team of *Showalter, *Dillon, *Campbell, and *Reardon have been tremendous! I would highly recommend all of them!

Experience was very good. Hope the residents and interns working with *Dr. Park learn to be as good as he is. I trust his competence completely, and he is also very good with communication and I felt respected by him.

The front desk always greets me & treat me so nicely. I have a very soft voice & the gang always listen - Christian, nurse's *Hilda, *Carol, *Ang, - making sure I get my appts, set up & can combine appts. to get a shot &

*Dr. Hates is a wonderful eye doctor. I have been going to him for about 3 years. I get injections in my eyes and have kept my _____. I have recommended him to several people, who also like him.

*Robyn Halsey was a pleasure! She has class, knowledge, and kindness.

My contact each week for 3 months with *Dr. Gray, *India & *Suzette was was exceptionally pleasant & very #2. Is confusing - I see *Amy Radigan & *Dr. Chhabra for hand issues always. *Amy is the BEST, most attentive and knowledgeable PA I have ever met. *Dr. C. is also excellent - my hand surgery was 3 days ago, hence the *Amy Radigan is wonderful. Reception staff is gracious. The hand therapist (*Kathy Riley I think) was the best - great exercises for _____.

*Dr. Tracci and her staff are just wonderful!

*Dr. Bergen & his staff are exceptional in their professional and caring attitude.

I have been a patient of *Dr. Bergin's for many years and have ALWAYS received the best of care and

I have no bad experienced when I visit *Dr. Kern's office. The whole staff is great.

Received the best care at UVA & *Dr. Daniero than any hospital I have been in.

*Dr. Landes was a kind empathetic & professional physician. He listened to my concerns, was very thorough in his examination. I was very confident knowing his expertise in my particular medical condition & his recommendations for treatment. Any questions I had he responded in a timely fashion, he is mature & patient.

*Mark Shaffrey was so good he listen and answer all my questions. When I went back he had pulled my records

*Seki Balogun & _____ associated staff are super! We have never been so thoroughly satisfied - my wife & I - with our HC provider!

*Dr. Singh is a superb cardiologist and healthcare provider - a superficial survey such as this does not adequately describe his skills or quality of patient interaction.

(This survey is too long.) *Dr. Purow, *Susan Molnar (sp.?), *Christy Gles, *Amanda Lane, *Dr. Zukas (sp.?) all

*Dr. (Ms.) Kirzhner is delightful person and so up beat. A pleasure to be her patient.

*Dr. Mosteanu is so nice and understanding. He is so caring about me as his patient.

*Dr. Alan Dalkin is the very BEST!!

*Dr. Evans is one of the country's top endocrinologists. UVA is lucky to have his knowledge, experience, and

*Dr. Douvas has been my doctor 5 or 6 years. I believe he is more patient, involved & concerned than any other doctor I have had in the past.

First visit with *Dr. Rahma & I was very happy with how he took time for me most doctors always seem like they just want to get out of the room. He did not do that.

*Dr. Foff is the best!

Very happy with *Dr. Jessica James and her staff.

*Dr. Russell is an extremely capable and competent doctor. Very compassionate and understanding.

I loved the care and treatment from UVA Spine, *Rosemary Tyler, PA, did a great job with my back pains.

I always have an encouraging & helpful visit with my doctor. *Dr. McKnight is a wonderful listener, advisor, caring doctor whom I have a lot of respect for. Always feel he does what is best for my health as I have had temporal arteritis & have been on Prednisone for 3 years.

I feel so blessed to have *Dr. Reid as my doctor. He listens, he cares for my whole family we truly love him very

*Dr. Wooten is wonderful and shows genuine care and concern for me and my wife.

*Dr. Shen & nurse *Abbey were excellent and all the staff were very helpful! Job well done.

*Barb... has been my PCP for 20 yrs. she & Community Medicine are as good as it gets. I recommend them all

*Dr. M. Green is an exceptional G.P. Kind, caring, attentive to my medical issues. He also refers me to great specialists when I needed surgery for my knee and hernia problems.

I have been seeing *Dr. Potter of Rheumatology. He is a very considerate and caring dr. I am looking forward to other visits to help me through the pain I have been feeling. I believe he is the best dr. for my situation. I have

*Dr. Mosteanu is a real asset to UVA. His intervention on my behalf saved my life earlier this year.

*Dr. MacKnight is irreplaceable and always direct, honest, cheerful and caringly listens to my concerns.

This is my second visit after having been a patient of *Dr. Sinpoor for the past twenty years. I found *Dr. Buda and his staff very professional and cordial.

I have been *Dr. Heald's for over 6 yrs. He is a great dr. "The gold standard."

*Chabbra is the bomb diggity! Thank you!

I am happy with the care I recently received from *Dr. John Gazewood. I think he is a fine doctor.

I have been diagnosed with MDS and go to the UVA Hope Center in Fishersville, VA for chemo, etc. *Dr. Grosh diagnosed the disease and recommended the treatment. Both *Dr. Grosh and the entire staff at Hope have gone far beyond my expectations and he treatment was on spot correct and is working!

I'm very pleased with *Christine & she seems concerned for my condition & involves me in the process of my care. Very knowledgeable, including regarding Rx meds -

An a health care person, pharmacist, I'm a fairly good judge of other providers in service that I've come to expect. *Dr. Shaffrey's office and the neurosurgery department at the Univ. of VA get my highest endorsement. Thank you for this opportunity to express my gratitude.

*Dona, she is super, explains everything fully, listens and shows real concern. Don't know what I would do if I couldn't see *Donna for check ups.

*Dr. Brandy Patterson excellent medical provider- very caring- concern about any medical that I have. I feel free to express my health concerns.

I have been a patient of *Dr. Pollart for most 20-25 years. She is the best.

Great questions! A lot of time spent to make these questions fit a lot of applications. Good job! *Dr. Prum is The second time I met *Dr. Trowbridge I had just lost my husband 2 days before, she was compassionate and sympathetic she showed a lot of concern for me and my problems that I was dealing with. She holds a special place in my heart for her loving concern.

I feel confident *Dr. John Davidson and his staff are well suited in what their jobs require them to do. I come away with relief on my health static's, feeling they did the best. I will keep going there unless they give to me I see *Dr. Anneke Schroen each year. She and *Carmella and the people in this office are superb experts at what *Dr. Rubendall has been giving me excellent care in the time I have been his patient. I recommend him whole I'm very please with *Dr. Elizabeth Sullivan, I MAY BE going back to my home - Youngstown Ohio, I would like to take her to serve in our patient care provider, at NorthSide Hospital, Family Practice 500 G _____ Lane thank you.

*Amy is great!

We love Northridge Pediatrics! *Dr. Ranney is one of the best doctors we know - and we know a lot of doctors! She always takes the time she needs to make a thoughtful diagnosis or referral. We have been a patient at *Dr. Kirk is an amazing provider. She takes her time and makes it feel as though I'm not being rushed. She asked not only questions about my health but questions about life in general.

I highly value all my appointments with *Charlene Exline. *Charlie fully explains the exam results.

Excellent care from *Dr. Garmon.

*Dr. Donton was and is the absolute most caring, understanding and considerate, upright and knowledgeable doctor a person could possibly ask for. \$1 in my book.

*Dr. Abuannadi was the most prepared with knowledge of my health situation than any doctor/provider & I have I have great praise for the transplant team (heart) @ UVA the team have all for there for me. *Dr. Bergin @ UV can not be beat! We were very pleased with Dr's. staff from parking to surgery. I will be telling my story to everyone. 15 months we tried to find out what was wrong with my husband. One visit to *Dr. Helm Helm & he fixed his problem with a shunt & an diagnosis of NPH

*Dr. Garmon is an excellent fit for me. Competent, careful, efficient, friendly. Hope he continues as my primary health care provider for a very long time. I trust his advice.

*Dr. Gravatte has been my primary care physician for more than 25 years during which he has provided excellent health care, professional advice and appropriate and timely recommendations and referrals.

*Dr. Uthlaut has always been a thoughtful & thorough advocate for patient health. He does not say away complicated cases and is persistant in ensuring patient understanding of how best to live a healthy life. *Dr. Uthlaut is undoubtedly one of the best physicians in the world!

*Sula is fantastic!!

*Dr. Sheehan and his team were excellent in every way.

We are very happy with *Dr. Cooper. I have recommended him to a couple people.

*Suzanne Cassidy is an excellent doctor. I love going to her each time. She shows us respect and plays with *Jason even when he isn't in the best of moods. She is an excellent person and I would recommend her to someone else also. UVA is a terrific hospital/doctor and I am happy with my decision when I choose it. Thank you UVA welcomes you with open arms. And shows so much love and respect!

*Dr. Isbell and all other providers I have at UVA are superior and personable compared to other health providers I have had. They are excellent medically - I am also impressed with the residents.

*Dr. Kyin has been extremely helpful with follow-up care by physician messaging since I am out-of-state. I am impressed with his level of dedication.

Provider *Katherine Jaffe always gives her total attention to me and my medical needs when I see her at regular intervals. I am informed about my care & the meds that I receive. She proceeds with MY person in mind. She allows me SPACE to proceed with alternate care if I request it.

*Dr. Seaton is a wonderful dr.

I have been a patient of *Dr. Ballew for about 20 years. He is very caring and friendly - he is one of the best - he has helped to keep alive. I'm 85 years young.

*Dr. Vollmer is articulate, personable, respectful, an excellent teacher about the spine... He makes you comfortable _____. He is honest, forthright, and extremely knowledgeable. *Louise, his nurse/assistant is a

*Dr. Geilker provided the most compassionate and efficient care for me, thanks.

During more than 2 years, before I came to visit doctor E Trowbridge, I had big pains in my pelvis. I felt myself unevitably, and off full value person. I endured physical and mentally, close to depression. During visit to *Doctor E Trowbridge, she solved all my problems in some minutes - like wonder-worker in fairy tale! She explained me all questions, even asked of my opinion! I left her office with wide smile on my face... how past more 1 month nice this visit. I haven't any pain, any discomfort! I'm very thankful to doctor *Elisa T for high qualification, her patience and love to her job and patients. Thanks to achievements of American scientists, new technologies on medical treatments of gynecological and all diseases. God bless America and my dear *Doctor The University of Virginia Medical Center has excellent physicians. *Dr. Erdbruegger is one of them. She has my I am very THANKFUL to *Dr. Brown & his team as he was the only doctor that would operate on 87 yr. woman in a lot of pain. I have as good left hip & NO PAIN. WONDERFUL FEELING, many thanks.

Our experience was highly satisfactory. I liked that *Dr. Albrecht called me with the results of our newborn's

*Dr. Snustad and her staff are one of the best medical providers I have ever visited. Very compassionate and I see Dr. *Noland quarterly for skin checks. Drs. *Russell & *Park have worked on my nose and ear. The staff is Kudos to *Dr. Smith in Urology.

*Dr. Gwaltney and staff are wonderful! Couldn't ask for a better doctor!

I had a very friendly annual visit *Ms. Drewry was very thoughtful & thorough.

LOVE coming to U.Va. for appointments. Always so organized and never as long of a wait as in Lyneburg for doctor's appointments. *Dr. Lewis and her assistant are always willing to take as much time with me as needed. SO thorough in their exams.

*Dr. Beth Jaeger-Landis I recommend her to everyone!

*Dr. Macik is an excellent dr. & also staff is very good.

Understanding that my provider, *Dr. Damewood, is a statistics oriented practitioner - it was refreshing to understand the good and bad possibilities related to my current health. Some might find *Dr. Damewoods approach a bit negative but I found it very helpful in making decisions for my future healthiness.

*Dr. McCarter has been my primary care physician for 22 years & value this relationship very highly and credit him & his excellent care & concern a great deal for my current health condition. This condition enables me at my age (late 80's) to continue such things as play golf several times per week, ski, do much of my yard work & home maintenance. Him, his staff & facilitation are first rate.

*Dr. Salomon and his staff are top notch! I was treated with the utmost respect and professionalism - my whole family has changed primary care management to *Dr. Salomon because of my experience with him. Thank you I feel *Dr. Grosh and his medical staff are one of the best in the state of VA. *Dr. Grosh and I have a good rapport and I feel I can talk to him about anything. *Dr. Grosh cares about his patients and is very knowledgeable about his field of medicine. I feel he is a good friend and great doctor and I am fortunate to have him treatment

*Jaime is very good dr. & I think a lot of him. Good at explaining things to you.

*Dr. McLaughlin is terrific - He is a wonderful dr. The staff at the clinic is also outstanding. I feel lucky to have

*Dr. Green is a very concerned & caring doctor. The staff works well together.

*Dr. Jeffrey Potter IS an extreme valuable asset 2 UVA, he is a huge reason my wife & I both come to UVA. *Dr. Potter CARES about his patients is ultra thorough & extremely professional. Kudos of praise to his staff as well.

*Dr. Escanellas and staff are the best at what they do. I've been going there regularly for many years and will continue to go there.

*Dr. Cropley moved me up!! I've seen *Dr. Cropley for the last 5 year for an auto-immune system problem - He's a very fine doctor.

*Dr. Boyer is a great listener with empathy. He is so in tune to husbands needs & situation. We are so grateful that he is caring for us. Can't say enough good things about *Dr. Boyer & so glad he is our physician. He is

*Heather Quillian is wonderful and my children are blessed to have had her as their pediatrician since birth.

*Dr. Dudhorodsky is an excellent physician. I'm happy to be one of his patients.

*Dr. Santen is an excellent doctor and his nurse *Sue is also.

I could not have had a better experience at this office with *Dr. Thomas Brown. He answered my questions fully, explaining his recommendations. I feel I'm well on the way to recovery.

I visited both Zion _____ Rd. office and MVA - Hospital went complex for *Mrs. Both - all exceptional!

*Dr. Cantrell is a excellent doctor. Caring, so glad she is my doctor. Whole staff is wonderful. Would

*Dr. Uthlaut is an extremely caring and considerate physician. The level of care he provides is of the highest

Everyone including *Dr. Ailawadi were very helpful to me during my stay in the hospital.

*Mrs. Urban has been very helpful and is very knowledgeable in her field. She has made good recommendations to me for me to try w/o the use of medications. She listens and has helpful input. I look forward in seeing her

*Dr. Cherry is very nice.

I was at this establishment only for a flu shot on this date. *Ms. Bargmann is an excellent doctor. Always ready

I will miss *Dr. McLaughlin very much. She is an excellent physician.

This was my very first appointment with a certified menopause specialist/OB-GYN provider - I did not what to expect exactly yet fearful of the symptoms I had been experiencing. *Dr. Wilson and her team were so completely phenomenal that I've decided to transfer to her practice. Thank you SO MUCH, *Dr. Wilson & team,

*Dr. Kozower is world class surgeon!

*Dr. Wilder has seen me on a regular basis to figure out my pain related to my fasciotomy surgery. What an awesome physician & staff!

I have an appt. every 8 wks. It is always run efficiently and they always are able to make the next appt. on schedule. *Dr. Purow is always reachable and most recently I was on a cruise with an issue and he was able to

Our child is 16 and *Dr. Oldfield was very good with her and let her ask questions herself. We feel very good with the care we will get. Thank you to the office people for getting us seen so fast.

*Dr. Weiss is brilliant, friendly, and has the best bedside manner out of every doctor I've ever met. He makes me feel comfortable and confident in my health.

We have been very pleased w/all the providers and nurses and staff @ Augusta Peds. *Dr. Isbell is fantastic & we are sad to see her leaving the practice.

I can't say enough good things about *Dr. Gander & his assistant he is a bright young man, and from being around him for a short time a very good doctor & person. Following my granddaughters surgery he called us 2 times to check up on *Erica. I have no complaints at all. Keep up the good work, and please pass along our

*Dr. Sharma is a super good guy.

*Dr. Wolf and all the staff at the Hope Center have been great and make you feel at ease during chemo

I love *Dr. Lynn, God bless her heart... Merry Xmas - Happy New Year everyone.

*Dr. Gander showed kindness, empathy and respect for my son. I will recommend his services to those in need. One other person that needs to be recognized for their care and concern for my needs is *Deborah Morley. She is always so caring and is very quick to contact me if I need something.

*Dr. Grice embodies all the attributes that I would deserve in a doctor. He is skillful, knowledgeable, personable and a good listener; and I hope he will be available to me as long as I am available.

*Dr. Tucker is a very caring doctor. She truly listens to what you have to say and does her best to help. I feel very blessed *Dr. Johns gave me to her when she returned. *Dr. Johns hand-picked her for me - a perfect fit. I feel that *Dr. Williams and staff have closely monitored and treated my chronic cancer and have prevented an early death due to this disease.

*Dr. Lim is very professional & attentive. On this visit I was also seen & treated by *Dr. Bourque who is equally professional and has appropriate methods of working with me.

At a race, I had a totally unexpected collapse within yards of the finish line. I was revived and then whisked off by ambulance to U VA Hospital. There I learned I had a serious heart murmur and over the next few days I was tested, xrayed, ultra sounded and otherwise prepared for heart surgery. An aortic valve replacement. This took me by complete surprise! I am - 78 1/2 years old and had no idea there was anything wrong with my heart. The medical staff at U VA took this all in stride and walked me gently but firmly through the whole process, preparing me for possible risks, for the immediate pain and discomfort as well as the eventual return to a renewal of energy, strength and endurance. Everyone who worked on me, from the team of surgeons and doctors, nurses and technicians and even volunteers, was kind, caring, patient, skilled and genuinely interested in my welfare. This was a scary operation for me - I was never unaware of fear eyeing me from the corner of the room. This procedure is not something one would undergo lightly but if it becomes necessary, I could not recommend a

*Kathleen Fuchs is a top-notch asset to the UVA Health System. My visit exceeded my expectations in EVERY way. We love *Dr. Corbett! He is a wonderful doctor!

I have never had such a great experience as this recent care. *Dr. Brenin is the most compassionate doctor I have ever been to. He made me feel so comfortable that I did not even have my "white coat syndrome" during my last visit & during my surgery. He is such a wonderful doctor & his whole staff was so good to me. I will refer I really think a lot about my care to get at UVA and it has always been very good. After going to UVA since 2004.

*Dr. Gwathmey see be for the first time in 2012 ? or 2013 and right away she said what kind of Musical _____ I have and & the blood test it was confirmed. Thank you *Dr. Kelly.

*Dr. Battle and *Adrienne Garo and the rest of the staff are awesome! Thank, you all and God Bless!

*Dr. Heald is terrific. I have suggested *Dr. Heald as a primary care MD for a close friend. I am impressed at the communication among all of the people involved in my health care.

*Dr. Loughran & his staff were extraordinarily caring & helpful in every imaginable way.

*Dr. Cui is so very nice he made us feel so very at ease about John's condition and so very professional but makes you so at ease *Dr. Cui & his assistants were so very nice. Thank you. Calhut family

*Dr. Ballew has been my PCP for 22 years. I could not ask for a more qualified, thoughtful, and friendly MD than him. He has always been there for me - No matter the reason or how busy he is. He's the best!

*Dr. Shim is the best.

*Dr. Kirzhner is among the very best! She is a wonderful surgeon, physician and healer!

*Dr. Lisa Braden did singularly outstanding job in helping me with my care, the only one on the VA staff that showed cont. concern.

*Dr. Singh and staff are exceptional medical providers.

*Dr. Davidson is an excellent doctor. Her concerns for my health were evident when she personally called to check on my status about a week after my appointment.

Overall *Dr. Targonski is very knowledgeable about my respiratory problems, and has prescribed medications that have helped. I believe I need to visit him soon and maybe be recommended to a breathing specialist. All in all my care at UVA Medical Center has been top notch. Thank you!

I am an aging athlete in martial arts. UVA has been my "go to place in Sports Medicine. *Dr. John MacKnight is my personal physician. *Claire Denny is my "go to" person for most all "fixes" that go with the territory of injury. *Claire is the best of the best! I could not do without either of them!

I am blessed to have *Dr. Whitehurst as my physician. Best provider in years. He is knowledgeable, caring & concerned. Great doctor.

I have emailed questions to *Dr. McCall that he replies to promptly - Perhaps survey form should offer this choice (along with phone inquiries).

*Dr. Bilchick is terrific. He listens and actually uses my input, actively.

My experience with *Dr. Browne and his staff has been superb. I don't think I could have been in better hands.

*Dr. Burns is an exceptional physician, and I am thankful to be under his care. His secretary *Pam is a wonderful, friendly person, and the receptionist and staff are excellent.

Ms. *Finke did an excellent job!

*Dr. Russell is probably the best physician I have ever known. He is consistency attentive and concerned and he acts decisively and effectively to address my problems.

UVA Hospital, doctors & staff are among the best in USA and set the standard for others to follow. I would strongly encourage family & friends to see *Dr. Dreicer for cancer treatment. He is one of the best doctors I've

*Dr. Gaughan is outstanding! Can not say enough good things about her!!!

*Lori is Superwoman and goes above & beyond to help. The whole staff is great.

*Monte at the front desk was superb!

*Dr. Oldfield's knowledge and wisdom were demonstrated through conversation, but clearly he seemed like a friend you had known throughout life. What a teacher and role model for future doctors! God lead him to the profession... helping others as we are missioned to do. Thank you!

*Dr. Shonka is caring, patient, never rushed, warm, and incredibly talented as a surgeon. Had no idea what a "big deal" he is in the medical world until later, because he acts like the patient is the big deal and never him.

Feel great courtesy of registration staff and great knowledge of *Dr. Barrett and has the ability to keep patient at ease by explaining information of my medical provider.

*Dr. Worrall is an excellent doctor. He is very knowledgeable in his field. He was very helpful.

We love *Dr. Quillian _____.

I love *Rebekah Compton! Her care has been < superior to *Dr. Seto whom I had before.

*Dr. Shildkrodt went above & beyond the call of duty by suggesting we rectify the problem here & now, it didn't require a return visit - if we wanted to wait awhile. We did & he did. Thank you, *Dr. Shildkrot!

*Dr. Wolf was absolutely outstanding treating Joe throughout his illness. Joe had the greatest respect for him.

*Dr. Wolf explained Joe's condition to us and him in a thorough way and was sensitive to Joe's needs. We would highly recommend *Dr. Wolf and his staff to anyone.

*Dr. Russell and staff exhibit superior skill and competence in treating skin cancer lesions and skin graft procedures. All staff persons are exceptional. Pain control was given highest priority. Great outcome from this Super nice registration people. *Kate Robertson very good.

Felt very comfortable with everyone at the Hand Center. That's why I'm having *Dr. Deal do my elbow surgery!

My wife feels the same way. That's why she's having her hip replacement done by UVH.

The doctor (*Dr. Kozower) and his nurse were exceptional - some of the best I have ever had.

Assume doctor (*Dr. Christine Lau) and facility all providers should be operated like this!

*Dr. Sheehan is excellent.

All the staff and *Dr. Rindos were pleasant and professional.

*Dr. Linda Duska is smart and caring. She actually holds your hand when she sees that it will help during a procedure. And it does! On my visits I meet a new resident each time and they all do an excellent job. *Dr. Linda Duska is outstanding. My surgery was in June 2013 and I've had follow up visits since. Each one a pleasure (as

*Dr. Wilson is one of the finest doctors I have encountered in my 13 yrs here in L'ville.

I'm very satisfied with *Dr. Lucar as my kidney doctor. She's the best doctor I've ever had.

This *Dr. Pudhorodsky has been my dr. - am very glad he is UVA now.

I saw *Dr. Shen as a follow up from being seen in the E.R. It was my first visit to see him & he was very nice. I made an appointment to see him again in a year.

Thus far *Dr. L_____ and staff are excellent care providers.

Great people. *Dr. Gypson excellent!

We called during office hours and talked to *Karen in regard to an appointment for our daughter with *Helen Molnar. *Helen Molnar called us at home that night at 7:30 p.m. She asked us questions about our daughter's symptoms which we could not answer. She then got our daughter's phone number and called her immediately. *Helen Molnar listened to our daughter as she answered her questions about her symptoms and made her an appointment. We are so impressed with *Helen Molnar's dedication and exceptional health care that she provides for her patients. We feel very fortunate to have *Helen Molnar as our health care provider.

We (my husband & I) are VERY happy with our care from *Dr. Plews-Ogan as well as other physicians seen - *Dr. Darby, *Dr. Olsakovsky, & the Hand Clinic.

This is an excellent practice and has been for all the years I've been getting dental care with them. *Dr. Leinbach, the hygienists & office staff. #6. Hygienists *Evelyn Grant & *Carolyn Jones.

*Dr. Sharma listened as I talked about symptoms and ordered tests for me. His suspected diagnosis was confirmed by tests. I was thrilled by his knowledge.

Have no complaints, *Dr. Weiss is a great dr. His staff is great & caring. I would not have been able to use my arm at all if not for him.

I love *Dr. Dalkin - he has great bedside manner and has humor!

*Dr. Pinkerton and staff made this visit VERY helpful - relieved my STRESS.

*Dr. Gaughan and her nurse, *Lisa Palumbo, are not only amazingly competent, but wonderfully caring, as well.

*Dr. O is an excellent caring physician.

We were nervous about our first visit at a new oncologist (we moved from GA). *Dr. Petersen made us feel so comfortable. We can tell that he is going to take excellent care of our little boy. We are very happy.

I travel over an hour to see *Dr. Goldman and *Margaret Keller because of the outstanding care that I receive!

*Dr. Campbell has the best bed side manner I have ever seen - so kind and educated. I have a new dx breast cancer - he is very compassionate.

*Dr. Brenin is very knowledgeable & compassionate she sits with you, and is not rushed - ensures you feel comfortable with our decisions.

My appt to see *Dr. Flickinger was a pre-op appt with an EKG. My answers to this survey are connected to that appt. My regular physician at University Physicians in Orange is *Dr. Eve Bargmann, Internist. I have been seeing her for about 10 years. She is the most wonderful and devoted doctor I have ever seen. She is a beautiful person inside and out. She cares deeply for her patients and their health and well being!

I see *Michelle Beard or *Dr. Wolf once a year for a status port melanoma excision. All staff is polite and

*Dr. Beitinjaneh is an excellent doctor and I have recommended him to others who were trying to decide between hospitals - Mainly Duke, _____ or UVA. All of the staff I've dealt with at UVA are friendly, professional

*Dr. Grice is fantastic - really listened to my needs regarding my back & I finally have relief from constant pain

*Dr. Yates and his people are great.

*Dr. Kirk is a treasure! I feel secure as a patient under her care.

Another doctor actually wanted me to see *Dr. Hamill-Ruth. She thinks outside the box. I am confident that she will be the one to help me where others have failed.

*Dr. Pedia & her nurse *Jill are the best. I have been very healthy up to the last 6 years and have seen more doctors than one should need. *Dr. Pedia is by far in the correct field. I am thankful I found her. I look forward

*Dr. Padia is the best dr. I have seen in 50 years & I have seen many! Her nurse *Jill is also wonderful helpful & very caring person. They make a great team & I have never looked forward to a dr. appt. but my visit to them every 3 months is always a great experience.

*Dr. Duska is an excellent physician, when it was determined that I required surgical intervention she did everything possible to arrange for an early date for the surgery. Her partner *Dr. Cantrell performed the surgery in a competent, expert manner. She found the time to speak to my family and update them on my prognosis.

*Dr. Dalkin is superior - concerned about my issues, how to HELP & how he will remain in touch in the future - very important - gives confidence in many areas: he's concerned & doesn't just prescribe medication!!

*Dr. Balogun is an excellent _____ and I am delighted to have her as my primary doctor.

*Dr. DeBoer's intern did a wonderful job. We appreciated her manner, her knowledge, her ability to explain her diagnosis, and our options. We felt she spent ample time listening, explaining and interacting with us. We appreciate the thoroughness from both doctors and are confident with how to approach our son's issue and My visit to *Dr. Duska & *Dr. Baker at Emily Courie was fantastic! Everyone responded to our needs, arranged "on the spot" tests & meetings and made sure we were helped through the entire process. They were amazingly timely with info & calls, caring and made the process pleasant! *Martha Thomas, of Genetic Testing, was part of our visit and rearranged her schedule to help us - fabulous experience!!

The doctor was very relational and understanding of my child's migraines and gave great care and direction for treating her with a detailed plan of treatment. Thank you so much *Dr. Ramirez.

*Dr. Christiana Brenin was extremely thorough, compassionate, and knowledgeable; I felt VERY understood, and had total trust in her care.

I quit answering the survey. The only few things I have to say, my provider is the best. I couldn't ask for a better, smarter, kind, listening, understanding, person. I was and still am very impressed with *Beth Jaeger-Landis. She WE love *Dr Froh & *Jackie Brown!

*Ms. Sullivan is a true asset to your org. She was prompt, cordial, knowledgeable in her field, thorough in her examination and its analysis. She possesses an outgoing personality and I would recommend her to anyone needed medical attention. And, last but not least, if she worked for me, I would give her a pay raise.

*Dr. Tripathi was very very helpful to me about my illness. I wish every dr. was like her. Don't ever loose her I feel good knowing she is there for me. Thanks. Mr. Meak.

*Dr. Santen is outstanding - one of the most comprehensive & thorough doctors in my experience - but over the past few visit he has appeared under pressure to complete everything quickly. I miss the little extra time & little extra caring and little extra thoroughness.

*Dr. McKnight is the best!

It was a first visit with *Dr. Dowdell as my regular doctor retired. I had been with him for almost 50 yrs. I found her very friendly and easy to talk to. Also she checked me and examined all my records and medical history. I

*Dr. Pumphrey is one of the best doctors in this practice. From the moment meeting her, when my now 5 year old was born, I have felt a personal connection with her. She always listen with real concern & a open ear on

We greatly appreciate *Dr. Martinson's professional manner yet friendly, easy way with children. My children look FORWARD to doctor visits because they all just adore her. I trust her opinion/advice and appreciate that

*Dr. Borowitz is the most caring, compassionate and respectful doctors we have had. *Rachel has seen lots of doctors but none compare to the level of care that *Doctor B has shown her. He is a gift to the children he

My experience has been fantastic. Not just *Dr. Diduch & his staff but all who helped with Allyson's surgery. I have recommended your facility to everyone. *Dr. Diduch is amazing and I am grateful he can care for my child.

*Dr. Keliams & her team are amazing! They have been an invaluable resource in helping me figure out the challenges of breastfeeding!

*Dr. Kindwall-Keller and her staff are amazing. The dr.'s nurses' in the Infusion Center are outstanding. Not only am I grateful for all of them you should be honored to have such intelligent and caring associates working for

*Dr. Cropley is a really great dermatologist, doctor, and teacher. I like how he includes me and his medical students in the same conversation - like we are all working together!

I cannot say enough good things regarding *Dr. Todd Wolf, his professionalism, extensive knowledge, personality, and excellent care provision. I wish there had been a circle to mark excellent. I am forever grateful This office is great and so is *Dr. Martinson. I refer all my friends with newborns.

It was the best possible experience considering the procedure. I was treated with the best care and quickly calming my fears. Thank you *Dr. Hayes and *Dr. Warren. I will always be grateful.

I am blessed to have *Dr. Ferguson and staff. The university of Virginia Medical Center (all staff) are wonderful. My health is good because of them and God above and I am thankful.

*Dr. David Shanka is a genuinely caring professional. I value his expertise with my health concerns. My trust in his judgment and follow up to my health concerns means a lot to me. I know i was very fortunate to have found *Dr. Landen has been very concerned about my health from the first time he saw me. June 6 2015 until Sept. 23 2015. I've had the best care from UVA to his office and from Radiation Dept. wonderful doctor and nurses and everyone who took care of me. Thank you all.

I value the expertise that *Dr. Santeen always displays... to my health needs. I completely depend on him for guidance in keeping me well.

I visited University Physicians twice within the last two months. *Eileen Donne, the nurse on my second visit -

*Dr. Boris is one of my most valued, likeable and approachable doctors I have. His staff, and the residents, are *Dr. Abbott continues to be exceptional! MOST knowledgeable and open to discussion.

I am very happy about the surgery. The results were great. Will continue to see *Dr. Knox for more procedures To whom it may concern *Juanita Reigle is the best doctor and the sweetest person that I see in VVA thank you very much she is GREAT.

Hate to see *Kathy leave! Excel. ENT.

*Dr. Gentzler was the most accessible doctor I have ever experienced.

*Dr. Ashok Ashok Asthagiri and the other teams that helped him help me are the best UVA Medical Center has in my opinion. Very professional, very smart & treated me like I was a real human being. I'm blessed to know them!

*Dr. Tom is one of the best doctors I have seen that took his time to go over my concerns.

Always enjoy my visits to *Dr. Hoard and *Peggy, I'm always comfortable with them and their entire team.

*Dr. Crowley very competent and caring provider.

*Dr. Keeley spent a great deal of time explaining the procedure and my condition. *Dr. Keeley went so far as to draw me a diagram of my heart and existing condition. Several days later *Dr. Keeley called me at home on her lunch hour just to check on my condition and answer any questions I was about to send her a copy. Never before has a physician ever called me at home. Please relay this note to *Dr. Ellen Keeley as I would like her to

*Dr. Matt Green is a very personable and professional physician. I like the practice a lot.

I started seeing *Dr. Patel in Apr. for DVT, since then he discovered other problems, PE cysts on liver, nodule on lung. His treatments and recommendations have been excellent.

*Dr. McLaughlin is a very caring doctor, and always talks to me so that I can understand what he's saying, his nursing staff is very kind & caring people and they always make you feel as they care about you as a person, there is nothing I would change at Crozet Specialty Clinic, they are the type of people we could LIVE WITH!! The front desk people are great as well, they are prompt and caring as well, and when ever I've had to call the office

*Dr. McLaughlin has always got my message and called me back the same day. THEY ARE GREAT PEOPLE & CARE

*Dr. Michael Douvas (have been seeing over 7 yrs.) takes excellent care of me, as well as his NP's. *Dr. Kudwar Singh and *Dr. Brendan Bowan take excellent care of me, also.

*Dr. MacKnight is a top notch doctor. Wouldn't trade him for nothing in this world. Medical field needs more

*Dr. Slingluff made me feel very comfortable. I am really pleased I selected him and drove from Richmond to have him take care of me.

Impressed with *Dr. Cooper.

I can't tell enough how grateful I am regarding the level and quality of care that I have received from *Dr. Jaffee and *Mary Jo Rajeh OT. They are both on top of the latest innovations which has proved most beneficial for my I have been a patient of *Dr. Barbara Post for the past twenty years. She has been the best doctor and I feel very fortunate that we have grown old together. I always feel she is very engaged in my visits, never in a rush, *Dr. Lyons is an exceptional physician I am fortunate to have her as my primary care physician.

I am most fortunate to have *Dr. Kirk as my doctor.

*Dr. Yarboro performed emergency triple bypass surgery on my heart. It was life saving surgery. She is an Always find nothing but top dr.'s at UVA and will always recommend *Dr. Renold *Dr. Greer *Dr. Brown Dr.

I was a patient of *Dr. Frick before to become associated with UVA, and was always pleased with his care.

Very pleased with *Dr. Engel - She is outstanding in every way -

I am fortunate to have *Dr. Dillon as one of my health care providers. He is compassionate, knowledgeable and accessible. I tease him about looking 12 years old, but all my doctors look like teen-agers (I'm 76!). UVA is very lucky to have him on staff and I'm lucky to have him as a resource in my care. He is one of the best!

*Dr. Densmore and my internist *Dr. Barbara Post are gifts. They are extraordinary doctors and human beings. I feel lucky to have such high quality care.

*Dr. Kellam was wonderful. I am so appreciative of both her & staff.

My surgeon was *Dr. Winsten Gwathney and he and his staff have been so good to me.

*Dr Foff and her staff at neurology are the best among could expect or hope for. I am totally confident in their

*Dr. Keng is excellent. I have been 100% happy with his care thus far.

I have put my full - what's needed - in *Mr. Gentzler. He seen to be on top of his job & my problems.

*Dr. McCarter and the staff at Stoney Creek have always been responsive to my medical well being.

*Dr. Shen, as well as all nurses & staff went over & above all my expectations.

*Dr. Barrett is very understanding and helpful to those dealing with the issues of diabetes. He is an advocate for helping bring the cost issues to the attention of gov't agencies.

I live in WV. My family doctor referred me to *Dr. Adams my problem needed to be seen from a MRI condition yearly follow with MRI to simply watch. VERY PLEASED with everyone involved a UVA.

I can not say enough good things about *Kathleen Lee. An absolutely wonderful provider.

We (I) have been *Dr. Barrett's diabetic patient for years. He works well with my family physician, *Dr. John McGovern and between them my diabetes has been controlled! I think *Dr. Barrett cares about me.

Wonderful team from secretary, students, NP & doctors - *Ann secretary is wonderfully pleasant.

*Dr. Lockman and staff are awesome. They have been very informative and supportive.

I travel a great distance to see *Dr. Westfield because she was provided consistent, quality, professional care to me and my family for many years.

Received MRI & blood work prior to seeing *Charlene Exline at Fontaine. I don't know the names of the three that helped me, but they were wonderful from the desk to the blood work to the MRI technician. I often receive MRI's & CT scans & these 3 were the best. Especially the blood work nurse. Wish I knew the names!

My husband Courtney Snyder and I are very pleased with the care we have received at _____ at the Medical Center - kudos to *Dr. DeVincentis.

*Dr. Shaffrey is my doctor and *Tanya Nguyen, NP saw me on this visit. She is a very good NP. She answered my

*Dr. Newberry is a great doctor she listen to you. She helps you with all your issues and situations. If she don't have an answer at the time she will call you later and give the answer to your question she's the best gyn. dr. I've

I thank *Dr. Dalkin is a credit to the University, and you're lucky to have him. I've seen many doctors in my 33 years, as a Type 1 Diabetic with numerous complications and he by far is the best.

*Dr. Park and his team is an asset to UVA.

*Dr. Foff has been amazingly along with everyone else there. She takes time to explain my condition and I feel she truly cares about me as a patient. I hate to think of where I would be now if I had not gotten help at the UVA Health System. Feel truly blessed to be a patient of this wonderful group.

*Dr. Swan referred me for a second opinion. Everyone was very nice and I was very pleased with the overall

*Dr. Fred Whooten was very thorough and pleasant.

*Dr. Dalkin is an excellent doctor & a very good man. We are glad he comes to the _____ office to see patients. We really haven't had any problems with UVA doctors. They have always been excellent.

*Miss Lee was very caring and concerned about my health and helping me understand the surgery and conditions I would be facing. I really respect her and would _____ her to any one. She is an asset to the UVA staff. Don't let

*Dr. Hatter is one of the few drs. that have been here a number of years that is personable & cares about his patients. His experiences are invaluable I recommend him highly!

I wish all my health care experiences were as positive as those I've had under *Dr. Burns' care at UVA. The support staff has been efficient, professional, and polite. Ever since my first visit in 2009, right after my initial diagnosis of MG, I have felt completely confident in the excellence of my care.

I thank *Dr. Humberson of this office for providing the lifesaving care I need! Her diagnosis and treatment, and willingness to help me is a miracle. Without her I would not be doing as well as I am!

Very happy with *Dr. Engel & the staff.

Everything went very well & quickly. Had a great MRI. *Dr. Vollner was the dr. following up for *Dr. Jane.

*Dr. Hostetter is the one I turn to for help & he is always there. Both my husband & I sense his concern & care for us. We have been his patients for 15 years & are more than satisfied. He is a fine man & a knowledgeable I'm grateful for *Carolyn Brady's knowledge and personal concern for my health. She has helped me extend my

*Dr. Paphitis and all of his nurses and staff are excellent. The nurses give exceptional care. They are all a wonderful group of people. I recommend anyone to seek their care.

*Dr. Siriboe is an excellent, caring doctor! She comes highly recommended by me! My kids love her.

We have rarely had an issue with UVA; *Dr. Charlton has been an incredibly kind part of Silas' care, and we can't think all of UVA nephrology, GI & cardiology enough!

Truly value *Dr. Lepsch - - he takes time and listens to my concerns & issues.

*Dr. Platts-Mills is a fantastic doctor and I don't mind waiting to see him. I would rate him higher just for the fact that he DOES take time to be with a patient. Also, he teaches, & with all the new trainees, the time required with each patient goes up considerably. That should be factored into the time allotted with each patient - -

*UVA is a teaching hospital/facility. *Dr. Platts-Mills does an extraordinary job and is brilliant. I do worry about transferring my care should he retire. He is irreplaceable & a gem.

Have been a patient of *Dr. Geilker for a number of years. I really respect her opinions of my medical need.

*Dr. Vance really understands my disease, Cushing's. I have been very misunderstood in the Richmond area. I am beyond relieved to be under her care. I am so thankful for her!

I've never had a bad experience at this clinic, and *Michele is probably the BEST health care professional that I have ever come into contact with.

Very impressed with *Dr. Early & his residents & staff. Facility was wonderful for children.

I have nothing but good things to say about *Dr. Ghanta your staff and your hospital. I was there for a week after open-heart surgery and was treated great.

My experience with *Dr. McLaughlin as my primary care doctor has been very satisfactory and comfortable. His staff seems to be very friendly and efficient.

Love *Dr. Nolan and staff. Friendly, thorough and very competent. Thought the receptionist was a little brusque in directing me at sign in. Perhaps she was having a bad day or new to job.

*Dr. Culp is a very good doctor.

*Sarah Roberts and *Kelly Mahaney are two amazing doctors. I highly recommend! Two of the best doctors I

*Dr. Liu is FANTASTIC! I see him once a year and it's always a positive experience.

*Dr. Hall and his entire staff are wonderful from *Dr. Hall himself to *Melissa to _____ (who greets folks at the main office desk). I am so fortunate to be in their capable hands.

*Dr. Snustad is always listening, attentive and all one could ask for in a physician!

My experience w/*Dr. Balogun and her staff is always good. She shows a _____ of care and concern for my medical problems, and is, in my opinion, an excellent physician, also.

Your team with *Dr. Adams are an exceptionally GREAT group of Health Care Providers!! I felt so secure in the hands of the team as a whole - *Dr. Reid Adams exemplifies what an exceptional surgeon should be in all aspects

This was my first visit - everyone was very nice I will continue to go back for all my misits - *My *Dr. Laurie Archbald was one of nicest dr. I have seen - have lots respect for her.

*Dr. Early was AWESOME & made my son's experience the best yet!!!

*Dr. Macknight is very concerned doctor & some very good nurses.

I broke my leg/ankle on right side and the team of *Dr. Joseph park & *Dr. Park are excellent. *Andrea helped me & her team get ready to be with *Dr. Park.

*Dr. Park is excellent. Many thanks to *Joseph Park, MD & all his team!

*Michele Hamrick and staff were very courteous and helpful. *Ms. Hamrick showed genuine concern for my well being and health issues. She was the consummate professional. Her skills, abilities and knowledge leaves me secure that my best interests are at heart and professionally being taken care of.

Excellent doctor. Excellent experience. Wish I had seen *Donowitz a year ago.

With *Dr. Bertram my wife and I feel very safe and are 100% certain that we are getting the best care possible.

*Dr. Bertram is a great doctor and friend who is always there when we need him.

*Dr. Shildkrot is a tremendous asset to the great UVA medical staff - I am so grateful for his focus and long-term campaign to stay on top complex retina issues. I give all credit to *Dr. Shildkrot for _____ long-term program how we are attacking the root cause and future cure. He is also caring and concerned with his vast technical I'm extremely happy the *D.-Kozower had the knowledge and competent staff to allow me to regain my life. Nurse/assistant was humorous and put my son at ease. *Dr. Albrecht is so down to Earth and warm and friendly - spent great deal of time w/us.

UVA hospital staff & cancer center staff have always been great to me. All of the doctors & nurses I have seen have been wonderful. *Doctor Andrew Romano in hematology/oncology has been my dr. since Nov. 2013. He has been a wonderful dr. & always so helpful to all my families questions.

This is the second time we have seen *Dr. Lather for broken bones w/my daughter. She was fantastic both times. She even gave us her cell phone number and offered to meet us at the office on Saturday if we had complications. This was an exceptional gesture, one not many physicians would offer! We are new to Charlottesville and things like this have made us feel very good about our move.

We are very happy with the care received from *Dr. Heinan. We have recommended her and would

In 1998 I was hit in the eye while working on my job. I was sent to *Dr. Prum, he operated on my eye and saved my sight. Since then he has operated on both eyes and kept me with good vision. He has always been courteous and helpful and done his best for me, and I thank God for him -

I have had very good care since 1999 in cancer center and *Dr.Cui's office. Thank you -

*Dr. MacKnight has been the primary care physician for me any all my family far 10+ years. We have found him to be knowledgeable, caring, attentive and reachable. We couldn't ask for better care.

*Dr. Deal is an excellent doctor with an excellent staff.

I have MS I particularly like that a variety of health care workers are available when I come in for routine check ups at MS Clinic. I particularly like *Myla _____ *Denise B_____, & *Leigh Sato. Thank you all!!

*Dr. Tracey Hoke's visit was one of the best experiences I have had with a doctor in my life

I had emergency surgery for a detached retina, & *Dr. Lin was outstanding! He was confident, explained the situation & what would be done to take care of it, and was very professional & caring. A very good experience I am always amazed at how fast I am called back to the exam room and how well informed the fellows are that interview me before I speak with *Dr. Caldwell. My condition has been brought under control with amazing speed and I am grateful for the treatment I have been given at UVA.

*Dr. Vranic was one of the best doctors I have seen in years!! Very thorough - kind and well informed. He was prepared for my visit by reading my records PRIOR to the visit - took his time and was gracious to my needs.

*Dr. Lewis is a professional, caring & compassionate doctor - first saw her in 1995!

*Louise Norko and the entire Endocrinology team has been wonderful and I appreciate everything they have done for my daughter.

I would just like to say what outstanding care I have received from *Dr. Lin and all of his staff. I would also like to say what an exceptional resident, *Dr. Cassandra Hanna, truly is. She has gone above and beyond for me. I would hope that if *Dr. Hanna ever applied for an attending position; that she would receive it.

*Dr. Dinsmare is wonderful! Her 2 nurse practitioners, *Evelyn & *Margi, are great as well.

I was very pleased with *Dr. Uta Endbruegger and her staff. They were extremely efficient and worked with me to get other appointments before I left their office. I would HIGHLY recommend them to anyone.

The three providers I saw at UVA - *Drs. Jenkins, S_____ and *Miller, were all extremely professional, knowledgeable and thorough. I had wonderful and productive care at UVA! Thank you!

Your staff has always been courteous, compassionate and professional. *Dr. Kohan is the best doctor I have ever seen. I have seen quite a few of the doctors at UVA and so pleased with all of them that I will not seek health care anywhere else. But, *Dr. Kohan always takes extra steps to make sure that I am getting the best care possible in pain management as well as referring me to other doctors. At UVA that she feels confident will be able to provide me with the best health care for the problem I ask her about. She listens to me fully, cares, shows concerns, and compassion. She has actually followed up by calling me personally. She is amazing doctor Other than my general practitioner, all of my doctors are at UVA, and I am extremely happy with all of them.

*Dr. Lin was very professional and made me feel very much at ease discussing the necessity for the procedure and the choices for an end result. He did a wonderful surgery that helped me both physically and emotionally almost immediately and I couldn't be happier with *Dr. Lin and the procedure. I refer MANY people to UVA.

Very pleased with *Dr. Rindos and staff.

*Dr. Nadkarni has been a great help to me now for over 3 years & his residents & the best I've ever had. I have multiple medical problems & the doctors have done all they can to make my life as tolerable & comfortable as possible. I appreciate *Dr. Nadkarni's no-nonsense, straight forward approach. He has kept me on the right path since day one & is exactly who I trust to keep me on my feet. My deepest thanks to all of them.

*Dr. Singh is an excellent doctor. My husband is a dialysis patient. He had a session that day so *Dr. Singh took him early because he knows that he is tired. He is very caring and knowledgeable. Because of him my husband did not lose his food. I say a prayer everyday for this.

I have always been very pleased with the over-all care of *Dr.'s *Whitehurst & *Gravatte. They answer all questions thoroughly & respect my input as a mother when the visit is with my children.

I saw *David Strider - (He is a very valuable part of this team - Most of my office visits I see him - He is very caring I just changed to this office with *Dr. Engel and I personally love her bedside manner and how very well she explains how to handle these issues.

We appreciate *Dr. Garrod SO much! We were also extremely impressed with her resident, *Zach Coffman. He

*Dr. Didelch is a great doctor. Happy and thankful for his work and care of my son. Very professional,

All the staff are excellent! However, *Dr. Vergales & *Leslie Peregay are absolutely amazing! Their care & concern for my daughter is top notch!

*Dr. Vergales & *Leslie Peregay are top notch. I could not ask for a better team to care for my daughter. She is here because of their exceptional care!

I love UVA and *Dr. John Voss. He is the greats. *Dr. Hillary Maitland is the best.

We were so pleased with *Dr. Sara Rasmussen and how helpful, informative, and nice that she was to our son and to us as his parents.

We love *Dr. Pinkston - She is very thorough and has always taken excellent care of our children.

*Dr. Ratliff and staff have been totally caring and attentive to my needs I would highly recommend her to all and her staff there is none better *Terri *Minor *Penney. Thanks to them.

*Dr. Garwood is a good dr. Very nice & friendly. Deserves a raise would like him to be in my community of

*Dr. Hamill-Ruth has been most helpful and has gone to extra length to care for me. In my opinion she is a top I had heard great things about *Dr. Srivastava & am currently working with her to resolve long standing issues.

I think *Leigh Isenhower is a great provider. I am very blessed & thankful I have her taken care of me. I am 77 yrs. old & trust her completely.

It the best hospital, I had every be at. *Dr. Victor Zaydfudim and *Dr. Daniel Straub are good drs. I tell everyone about your hospital, if I have to go to the hospital again it will be UVA. I got the best care there from every one.

*Dr. Browne is EXCELLENT. I found all of the staff at UVA Medical to be wonderful. I have no comments to help improve a fabulous staff and facility!

*Dr Rembold and his assistants are excellent - great @ follow up & knowledgeable about my condition.

*Terri *Teresa Artale moved her services from Culpeper, VA to Orange, VA and because I feel she is EQUAL to any doctor's care, I now drive 40 miles round trip, to continue seeing *Mrs. Artale. The staff and environment

This was a visit to the nurse practitioner of my regular doctor, *Dr. Angela Taylor. She sees me once a year. I now see my regular doctor once a year. Both providers are excellent.

As a military dependent, I have had many provides I visited Johns Hopkins, VCU, and Dana Farber Cancer Institute during my diagnosis with breast cancer, *Dr. Patrick Dillon he is the BEST! Compassionate, caring, always LISTENS to his patients. His entire staff is empathetic and listens to every patient.

My son's visit was with *Dr. Denny as a follow up after knee surgery on both knees to have his sutures removed.

It was very difficult with my son's surgery on both knees and travelling from Newport News. *Dr. Denny was very professional and very warm/comforting. She took care of his medical needs, filled out his paperwork for homebound studies, made us laugh and even took a family picture for us. *Dr. Denny, *Dr. Li, *Dr. Mark Miller

*Dr. Kirzhner was very caring & compassionate and LISTENED to my situation. She h as a great connection with her patients. I would highly recommend her!

*Dr. Fu saved my life. What more can I say.

How fortunate I was to have been *Dr. Black's patient!! His manner AND interaction with his patient is excellent - and, he is so enthusiastic about his work. I would definitely request *Dr. Black again.

I am only 48 years old and have been dealing with this office for over 5 years. I am chronically ill and have been dramatically declining at a rapid rate. I truly wouldn't still be alive if it were not for *Dr. Campbell and his wonderful nurses and staff. I would and have recommended this office with the highest rating possible. Thank

Exceptional care! Everyone we encountered was very nice and professional, and they explained all procedures and testing. *Dr. Dean was very thorough in explaining all details of condition. Extremely happy and satisfied

I have never had a better physician than *Dr. Duska & her assistant. Everyone was extremely professional. Love. *Dr. Diduch and staff were always professional. HE ALWAYS explained things thoroughly to my family and I and would even sit down to explain things.

I live in Edgewater, MD, 1 mi. from Annapolis, moving from VA 2 1/2 yrs. ago, and intend to continue to travel to UVA for all, or most of my medical care, for as long as humanly possible. *Dr. Schectman has been my primary

for approximately 14 yrs. & is the ABSOLUTE BEST, and MOST thorough (& most compassionate) I've encountered in my lifetime. You're fortunate to have him on staff! Thank you.

*Dr. Taylor and her team are amazing. She is the best doctor I've ever been to. I wish I could find other doctors

In my opinion, the Breast Cancer Clinic has to be the best and friendliest clinic in the UVA system! Thank you *Dr. Showalter and everyone in that place!

*Dr. Cirenza and the team at the HOPE/Pantop's office ware AWESOME! Thoughtful, professional, willing to collaborate w/colleagues to arrive at the best options for treatment. I speak highly of my care providers whenever the opportunity presents itself.

We have received excellent care from *Dr. Cooper - from our very first visit, through the surgery & after care. I would not hesitate referring him to family & friends as well as perfect strangers! We traveled from Fredericksburg, VA after seeing 2 other doctors. I am so thankful that I trusted my "mothers instinct" & had another opinion. My daughter has healed perfectly with the guidance of *Dr. Cooper & the staff at UVA. Thank Always happy to see *Dr. Post and her staff after 26 years as her patient, I have only the best to say about her care. I consider her a friend as well as a physician.

I have absolute faith in *Beth Landis. Thank you.

I have been going to UMA for about 12 yrs. now. I go to Coag nurse once a month & doctors appt. every 3 to 6 months, so I know everyone pretty good there. Everyone @ UMA is very professional & treats me with respect I am so very happy to have this UVA branch (Locust Grove) so near to my home. Saves a 1 hr. (round trip) drive to Culpeper or an even longer drive to C'ville. Really, really like and appreciate *Elizabeth Sullivan.

Working with *Dr. Fernandez & *Dr. Sperling and associated staff has been excellent.

I am very impressed & pleased with all the staff & especially *Dr. De Vincentis. It is so refreshing to finally find a doctor who COMMUNICATES so well with her patient; who spends an appropriate amount of time DISCUSSING the patient's concern; & who actually LISTENS to the patient & answers questions/concerns with interest. WOW! *Dr. D. & her staff get all "thumbs up" from me.

*Dr. Gloudeman has cared for my mother 15-20 yrs. ago. Complicated surgery with great care & compassion. I have been treated annually for 15-20 yrs. He has been involved in other matters. Always insist on *Dr.

*Dr. Loughran is a great doctor. Many thanks for his direction and assistance.

My visits to this office with *Dr. Venkat Perumal, where the most efficient and friendly visits I ever had! The staff, all staff was very caring and informed. Thank you for making this experience so fast and safe for me. I My child has an appt. once a year. The appt. for the next year is made when we leave or is mailed to me shortly afterward. *Dr. McDaniel is always respectful and cheerful. She had a student with her last appt. and she was just as nice as *Dr. McDaniel. She always answers any questions we have and she addresses my son and never *Dr. Snustad & staff make me feel at home & very well taken care of.

*Dr. Patterson is excellent - personable, friendly, enthusiastic and very knowledgeable and thorough. I feel I'm getting the best possible heart care.

*Dr. Courtney is very knowledgeable! Love her!

*Dr. Scott Seaton is outstanding. I feel very fortunate that my wife and I have him as our PCP.

Dealing with specialists in following clinics: Eye, Dermatology, ENT & my own personal physician (*Dr. Ballen in University Physicians). I have undergone numerous procedures and it is with sincere gratitude & appreciation I have for all members of the hospital staff.

*Dr. Barrett & staff are very professional - He seems to have concern for me as a pt.

Have been going to Family Practice and *Dr. Gonzalez for OVER 20 years! *Dr. Gonzalez is the BEST in all areas!

*Dr. Martof and his assistant always made me feel comfortable during my visits. The staff in the reception area are always courteous and helpful.

*Dr. Whitehurst is an excellent dr. and takes time with me. His office staff are very friendly and professional.

*Dr. Karen Johnston is an excellent provider of information and an empathetic, caring doc with a sense of humor that lightens a difficult situation without minimizing the seriousness. She is a super clinician!! The area receptionist is so good with making patients comfortable and is exceedingly helpful.

*Dr. Sarah Jones is an outstanding doctor and person.

*Dr. Russell and his staff provide excellent care are pleasant and thoughtful. This was a _____ procedure. He is an excellent surgeon and follows up as my wounds heal.

I've been going to UVA Neurology for 28 yrs. (1987) I have always been treated very well. I rate *Dr. Goldman right up there with *Dr. James _____ Miller.

*Dr. DeGeorge was the doctor on duty. She is excellent to _____ about all ways. Professional, personal, caring, well informed, concerned attitude, etc. Usually I meet with *Dr. Hamm. I always feel that he is concerned and a good listener and is well informed about me as a patient. Highly skilled!

*Dr. Ham & his staff are very friendly & professional. They are response to my needs. 4 or more times @ year I see *Dr. Rambodt. He and his nurse *Lee are great & generous with their time.

I am extremely pleased with the care I received from *Dr. Snustad.

Best dr. I've had -> *Dr. Pollart.

*Dr. Arenza has been my physician for a blood disorder for 10 years. Outstanding in all aspects of his specialty.

*Dr. Barrett and the other lady physician were very attentive, listened to my & my wife's concerns & answered our concerns clearly & kindly. They are both easy to talk to and attentive to us.

We are very happy with *Dr. Singer and all the staff.

*Dr. Lem was excellent in all respects. _____

*Dr. Casey is a first class family care practitioner and the support staff at _____ also perform very well.

*Carmel Nail is a wonderful, caring practitioner. She has been great during my cancer journey. Wish there were more like her. Her staff is great too. I made a good choice when I chose UVA for my cancer surgery.

Love *Dr. DeGeorge and the ladies at Plank Rd as they are knowledgeable and personable.

*Dr. Christina Brenin is an excellent physician.

*Dr. Boyle is very positive, friendly & easy to talk to. She shows genuine concern for patients. Would highly

We appreciate the good care from *Dr. Payne his partner doctors and his medical staff. Very friendly, very helpful. Certainly hope they will continue to show good care as my son recovers from surgery.

*Dr. Kollins established a good dr./patient relationship with my 15 yr. old son. He felt comfortable in telling *Dr. Kollins about himself and his goals for getting in better physical health.

*Dr. Romness & his staff were amazing. They gave helpful advice for navigating MRI process and provided quick follow up. When the results were inconclusive they consulted with another doctor to get us on the right

We really like *Dr. Repaske - he has good rapport with my son, who's a senior in high school. Working with a male dr. is more comfortable for my son.

Not only does *Dr. Cummins communicate well with the parents, he is EXCELLENT, with our daughter. That

*Dr. Wooten is NEVER late & frequently early. He is very knowledgeable & shows utmost respect to patients & their caregivers. He is one of the best!

*Kimberly is an excellent dr. and has outstanding care and concern for her patients.

Very pleased that *Dr. Barnes was "so" informative. Although he was a substitute for *Dr. Stephen, he expressed the differences in how they each would view her case and tests run... I respected the fact the "he/*Dr. Barres" addressed this and showed respect for his colleague.

*Dr. Pollart is absolutely outstanding. She always makes me feel important. She is very understanding and

So sad that *Andy M _____ has retired. He is THE BEST dentist my family & I have ever had!!!

We were looking for a cardiac surgeon. Our doctor referred us to *Dr. Irving Kron. I think he is the BEST! We are so blessed to live with in a one hour drive of UVA Hospital.

I really liked *Dr. Landen, he seemed really concerned about me. I can't thank him enough for what he did.

Thank God for him & his staff.

My experience could not have been better. *Dr. Bowman is a truly outstanding physician in every way - brilliant

Very happy with *Dr. Krupski and staff.

*Dr. Blackhall was outstanding. Far exceeded expectations. The only DR. at UVA whom we felt that way about.

*Dr. Grice is one of the most outstanding doctors I have seen - his care, thoroughness, follow-up care - no waiting - he knows what needs to be done and does it!! All very efficient.

*Dr. Leone is a excellent dr. and takes the time to listen to you, writes down and takes note about your health concern. Overall *Dr. Leone really help me with my medical concerns and is a wonderful health care provider.

*Evelyn Grant & *Ted Galbraith are the best! I have never had anything but great experiences with them.

*Dr. Statuta is outstanding. Very thorough, listens well, clear with instructions. Lovely personality.

I have seen *Joyce Geilker for abut 20 years and always have an excellent experience with her and her team, for routine visits and for emergency/urgent situations. *Dr. Geilker's "bedside manner" is really excellent! She is genuinely concerned about her patients - Several of my friends go to her also and we always share out great

*Dr. Dalkin has been an excellent physician for me.

My provider is *Dr. Aumari Gonzalez.

*Dr. Lepsch and his team are professional and caring. I trust *Dr. Lepsch with my health & safety - In fact, I have referred several new co-workers to him over the past 10 years -

This was the best doctor's visit. Within two days of contacting *Dr. Liu's I had an appt. After the appt. my procedures were scheduled for that week. This was the most painless scheduling process I've ever had. The care was phenomenal, by not just the doctor but his assistant and nurses. I was beyond impressed after my first visit, which made me very relaxed for my procedures the following week w/*Dr. Liu. *Phenomenal. I will definitely refer UVA to everyone and make UVA my preferred facility. Thank-you.

This is an excellent practice and caring staff all around. I always feel well cared for and respected... NEVER rushed out the door, yet never late either! Not sure how they do it but keep up the great work. *Dr. Hullfish is Internal medicine at Northridge has ALWAYS - (approx. 23 years) given me excellent care. Most especially *Dr. B *Dr. DeVincentis is one of the best in the medial profession. She has always met my needs to the utmost degree in every aspect of caring for me and my health requirement. We need more doctors like her.

*Dr. Matthew Green is a very good dr. and I am glad to have him serving our community in Louisa County.

I find *Leigh Isenhower, to be a very caring, understanding of me and her job!

Very impressed and pleased with *Dr. Deal and her staff.

*Dr. Zadrozny and his staff were kind compassionate and WONDERFUL!

*Dr. Lewis is great! She is the 2nd MD I've seen for my health issue and she's been nothing but great.

I asked *Dr. Brown if she knew of any studies for diabetics at UVA within 2 months I am part of a research study. A fantastic experience! I hope to be involved with more.

*Dr. Volodin is very caring! He goes far beyond what I would have expected.

*Dr. Hong showed exceptional kindness in fitting me in under difficult circumstances. He was highly professional. I am grateful for his care.

So VERY THANKFUL!!! For *Dr. George McDaniel coming to Lynchburg, VA to continue follow-ups for our son.

*Dr. Brown is super!

Smart, talented, personable physician. *Dr. Rubendall shows concern for my overall health and returning me back to excellent health. Easy to talk with, great explanations. One of the great ambassadors at UVA

*Mrs. Jones is a great doctor and I respect her. She shows she cares and that what I like about her.

*Ms. White left me with the impression that she was well trained and had benefited from her association with

*David Mercer is incredibly knowledgeable and human -

*Dr. Freilich and the residents, nurses and staff are excellent teamwork to take care a patient.

*Dr. Jeff Young (surgeon) is the single, most singular, congenial, affable, amble, personable, happiest man I have EVER met, AND he is a technically EXCELLENT surgeon and physician as well! He SAVED my life, resolved huge medical issues for me, and was an excellent teacher, mentor and guide to his students *Dr. John Davis (surgical resident) and P_____ Z_____ (3rd yr. med student)! His assistants *Amy Bunts and *Hope Hancock were INCREDIBLY helpful and supportive also. I thank him for his excellent surgical and follow up care, and THANK/THANK/THANK him for SAVING my life (and for taking SO MUCH long-time pain away!)!!! THANK YOU!!!

*Carmel Nail is excellent!

*Doc Southerland is the best! Listens to everything.

*Tanya was very professional and knowledgeable.

*James Shorten - excellent, knowledgeable, personable.

*Dr. Hainstock was fantastic! Our visit was also with *Katie Heck - our lactation consultant. She was wonderful to work with. She helped us troubleshoot and anticipate future challenges. We had a great experience!

*Dr. Vergales took exceptional care to listen to my son and me and to explain what he was talking about and concerned about in a manner my 10 year-old could better understand.

The first visit with *Dr. King, and it was great he answered all our questions and concerns, plus *Mary is

*Dr. Rubendall is wonderful, he listens to my needs and is always available to help!

Dentistry at UVA is one of the best run clinics I've encountered. The front desk staff set the bar (*Cindy in particular) & the professionalism & knowledge encountered there.

My daughter has been a patient of *Dr. Johnson's since May 2014 and we have always been happy with him and

*Dionna. My daughter had the flu - this past November and they were always helpful when I called with concerns. Could not be happier with the care they provided.

I would highly recommend *Dr. Grosch to anyone I know needing a hematologist and/or an oncologist.

I was very happy with the care I received from *Dr. Thompson. It was a very positive experience, which, in my experience with health care providers in the past, is unusual. I really appreciated the care and respect she

We really like *Dr. Uthlaut. He always calls with test results. Sometimes he calls just to ask how the patient is.

I just prefer *Dr. Richard Bentley Calhoun. I also prefer doctor's have an "actual" chart in hand other than computer/or go with a paper chart.

*Dr. Reed and especially *Dr. Gurrola are the best asthma related doctors I have encountered. Not to disrespect other excellent Drs. in my history, but *Drs. Reed and Gurrola were ace-expert with the vision device in my sinuses. *Reed and *Gurrola were absolutely pain - free.

*Dr. Mosteanu is a wonderful doctor who truly cares about me as a person. He didn't make me feel like just a patient. I have been battling an illness since June 2, 2015 and he has gone above and beyond to get me back to being healthy again!! Truly one of the best doctors I have ever had!!

*Dr. Douvas EXCEEDS all expectations in every category you want to measure!

I see *Dr. Densmore 2 X/yr. He is excellent: smart/caring/listens well. Other aspects of UVA are good to very

We adore *Dr. Roberson & feel she does a great job in helping us provide the best care for our daughter.

I would not go anywhere else unless forced to. Love *Dr. Mason and this practice & staff.

Most definitely would refer *Dr. Deake.

I feel very fortunate that *Dr. Asthagiri was assigned to me when I needed brain surgery 2 1/2 years ago. It could have been a very frightening experience, but in his capable care, I felt safe and well cared for. Thank you!

I am a new patient of *Dr. Daniero, and is far I am happy with the care that he and his staff are giving me.

Everyone has been polite, friendly, & professional. It is wonderful to have a dr. with his expertise, this close to

*Dr. Jenkins is super.

I have been pleasantly surprised by the ease of getting an appointment with *Dr. Gwathmey. I am accustomed to waiting weeks or even months to see similar specialists and have gotten in within days every time that I *Kathleen has provided me with excellent care! I would highly recommend her to any prospective patients. She's a outstanding care provider.

I felt very well taken care of by *Dr. Rubendall, his resident, and the entire team; I would highly recommend this facility to anyone!

NP *Helen Molnar is a very caring and professional. Very good at asking questions about my health. And answering my questions about medicines and other nutrition questions.

I think *Dr. James Mann is a very good doctor & *Stephanie is also very helpful to me. Everyone treated me with *Dr. Park has been caring for our injured daughter for 4 months and always had her best at heart. He's top rate, compassionate, and full of medical knowledge.

*Dr. Ira Stephens is responsive to our concerns and questions, whether it's during all office visit or after hours. She is caring, considerate, and knowledgeable. We are very happy with the care she has provided our daughter.

*Dr. Harrison and *Dr. Elias are great. They are caring for your needs.

I also had an MRI at UVA Imaging at Fontaine. The technologist was *Nancy M. She was very kind and had a

*Dr. Sharma's nurse was fantastic! Gave me a number to call with questions and calls are returned the same

*Christine Lau was very nice and completely professional.

This appointment was easy to schedule, had friendly staff, and a doctor who treated my child with respect. I appreciated how *Dr. McDaniel spoke directly to my child instead of me. Excellent visit!

I needed to have this appointment scheduled in one week from my previous visit. The receptionist office staff worked with me to find a time that worked for me at one week from my previous appt even though it was Thanksgiving week and the office and doctor were already busy. Great work! *Dr. Deal was very nice, polite and explained me in detail all I needed to know about my treatment. Thank you!

*Dr. Slingluff was amazing - explained things well -

I feel that *Dr. Kohan went out of her way to make me feel safe in her hands and that she would do her best to treat me. I feel very fortunate that she was in charge of my procedure.

*Dr. Vance always provides highest quality attention - taking great interest in two way discussion of my condition and gives me confidence in her diagnosis.

*Dr. Harrison spent all the time needed to ascertain a diagnosis - QUALITY time, much appreciated!

Very informative & I was given options. *Dr. Morgan is very personable which accounts a lot for a patient.

We love *Dr. Schneider and we love the Battle Building! So much more convenient to get in and out of.

"My *Doctor Macik, she is great doctor and person I like her very much+++...

*Dr. Padia, is very nice and caring to my mother. Also to myself & my concerns for my mother. Need MORE LIKE

*Dr. Olsakovsky - 100% success record re: cataract operations.

This was a follow-up for sudden and severe kidney function degradation about 18 months ago. *Dr. Erdbruegger was up to speed on my history, including interim routine check ups and blood tests with other doctors. She had my records open in front of her in the exam room, which I appreciated.

*Dr. Wilson is an excellent, compassionate and friendly doctor!

*Dr. Lather was excellent and listened to our concerns and needs we are very happy with her care! Thank you!

Very impressed with *Dr. Rindos. Wish she could be my primary doctor.

*Dr. Brenton is absolutely wonderful - one of the best physicians we have for our child.

*Dr. James Browne & his staff are phenomenal!

I was impressed how much time *Dr. Darby spend with me. He seemed interested & explained my options for possible procedures.

*David Mercer is very good at his job! My son has had a difficult time with getting his ostomy pouches to stay on. *David took one look at his stoma and gave my son the solution to fix the problem with keeping the pouches on. My son is relieved and thankful *David could help him.

I was delighted by the courtesy & care shown by all staff & providers. *Dr. Shen in a very special man, professional & caring plus he is amazing surgeon!

*Dr. Lau was very responsive to our concerns, listened with an open _____ attitude, and was not only obviously extremely competent, but THE most INVESTED doctor in charge of my husbands health following surgery. MOST My experience with UVA was outstanding. Thanks to *Dr. Shehan and his staff for outstanding surgical

I felt that neither the team nor my attending physician (*Showalter) felt themselves to be rushed or frazzled in *Liz is extremely professional and takes the time to explain everything. She is caring and very competent. In the office area, *Tiffany is always nice and pleasant. Love them both!

I thought the entire staff was excellent. The care given to me by the recovery nurse, *Kathy Critchfield, RN was Very good hospital. Especially *Dr. Duska. Clean, knowledgeable. Very good doctor. Nice. Great wonderful doctors. And * Anita who works with *Dr. Duska.

*Wanda was very helpful & greeted me warmly when I entered.

Technologist *Sara was wonderful - gentle, reassuring, competent.

*Wanda check up in as soon as we arrived. Made us feel right at home.

*Brenda, *Evelyn, *Sheila and *Mary help to make these tests so much better for my husband.

My compliments to *Bethany - professional, friendly - "spot on."

*Wanda saw to our every need. Check on us several time. Friendly.

*Allison was a very special nurse - perfect in her job - 5 stars. *Nancy in MRI was excellent also friendly and kind.

*Dr. Hendon's office staff are the best.

*Donna was my nurse for the last 2 treatments - and she is great - But everyone has been so kind and so helpful

*Dr. Lobo and his staff are very knowledgeable and are supportive of transplant patient.

*Mary worked with me on the date stated on front. The week before it was *Tracy. Both were very helpful and did an excellent job.

*Greg in _____ recovery did an excellent job of making sure I was comfortable.

*Dr. Sheehan and his staff were great to work with.

From *Angela at the registration desk, to *Elizabeth (RN) who drew blood and set up IV, to the wonderful *Kale who did the CT scan, experience couldn't be better -

I was very impressed with this facility and would return there and also recommend it to others. *Dr. Z was awesome! Wish he could be my regular physician!

*Ralph B. was very polite.

*Ashleigh T. x ray tech *Elizabeth - speech pathologist & *Dr. Contrella were all very nice & helpful.

*Evelyn was GREAT - so friendly & nice & kept me informed. The lady who started my IV, was WONDERFUL, she was an African American lady who said she had been nursing for 30.. (or 40?) years (is her name *Cheryl? I can't remember) she was remarkable! EXCELLENT! And *Kriss (or *Krissy) was a great technologist. She was very thorough, explained everything to me, and made sure I was comfortable.

*Kerry was outstanding. Our entire experience during the test, examination and visit was of the highest order. How fortunate we are to have *Avery Evans, MD here at UVA. He is an excellent doctor with a rare quality ; he cares about his patients.

*Lois Fulks - this lady was excellent. If NP-BC but also kind and caring.

All your staff were great. *Tiffany D_____, *Lynn V_____ & *Dr. Fox & *Dr. E_____.

I received excellent care. I especially commend to you *Drew Harrell *ANDREW HARRELL. If it wasn't for him, I could not have taken the treatment. I had a phobia of being pinned down. *Drew helped me GREATLY! All the other therapists were very pleasant and caring as well.

I would specifically ask for one of these three ladies to do my treatment because they were so good to me. *Liz Howard, *Tara Montgomery and *Margie Gilroy.

Always good experience I've had 8 nurses for 8 visits - they've all been friendly, concerned & helpful. *Margie G_____ (sp?) only once to point out major things on blood test result - appreciated!

*Dr. Baer was very professional & showed compassion & concern.

Met by *Clayton in garage & he made us feel like the most important people in the hospital. The same when we left. UVA is very fortunate to have an employee like him. He just bubbles in a good way!

Staff was wonderful. Really good care from *Leanne after surgery. Very professional.

Was taken care of by *Christopher K. Super nice!

*Mr. Jim did my 4 yr. old daughter's sleep study. He was AMAZING! Couldn't ask for anything more!

*Donna, RN is a wonderful caring, professional nurse. She went out of her way to insure my comfort and showed genuine concern for my welfare. *Donna was able to answer all of my questions. & made me feel well cared for & safe. She is a true asset to the EC Cancer Center. *Dr. Showalter is a bright patient dedicated physician. He takes time with patients to explain procedures fully & answers all questions completely. He is kind Excellent: A physician (*Sheehan) who has empathy and understands the science and art of medicine. A role Have already recommended and spoke highly of the dr. & staff to friends and neighbors. THANKS for *Dr. Showalter!!!!!! *Dr. Timothy Showalter.

*Donna & *Pat were excellent entire staff friendly & caring.

I was late due to traffic back up on 64. The staff was very understanding. *Dr. Gleason did NOT rush my visit due to my lateness - Just the opposite.

My son was very nervous for test as soon as she called his name he said "Hi, Beth!" and immediately relaxed. He loved *Beth, she is SO FRIENDLY, gentle, efficient. It was like visiting a friend.

*Michelle the technician who provided service in making my orthotics is OUTSTANDING. Can't say enough good things about her assistance.

Everyone in Rad-Onc is absolutely amazing. *Dr. Read, *Dawn, *Andrew, *Cindy, just to name a few made the experience so much easier to handle!

My visits to UVA are always good. *Jennifer Greene and *Dr. Stephen Caldwell are the best. They have been so good to me and the people at UVA are always friendly and nice.
