

Social Issues in Medicine Community Poster Session

Wednesday, May 3, 2023 | 5:15-6:45 pm | UVA Education Resource Center Auditorium

Join us for the Social Issues in Medicine (SIM) Community Poster Session to recognize our students and agency partners and learn about their yearlong work to improve community health outcomes.

- **152 first-year medical students**
- **25 health and human services agencies**
- **4,000+ service hours**

"The practice of medicine and the preservation of health extends far beyond clinical practice in the doctor's office. To understand them - their beliefs, and their motivations - will always bring me to a place where I can care about that person and want the best for them." SIM student

Opening remarks will begin at 5:30pm. Please drop by at your leisure and visit the students' exhibits and see how they are making a difference in our community.

The Education Resource Center is located across from the main lobby of the University hospital and above the UVA Pharmacy. Nearby parking is available in the 11th Street Parking Garage. Refreshments will be provided.
