

# THE COLONNADE CLUB

at the University of Virginia®

The UVA Alumni Board of Trustees has gifted you a complimentary one-year membership to The Colonnade Club!

## ABOUT THE CLUB

Founded in 1907, the Colonnade Club is UVA's Club for faculty, staff, and alumni. With over 1,200 members, the Club provides a wide variety of opportunities to socialize, network, and create meaningful fellowship and community at the University. Members can enjoy benefits such as purely social events; programs focused on the arts, sciences, culture, and history of UVA; a space to work or gather; daily coffee; Tuesday Treats during the Fall and Spring semesters; eight well-appointed hotel rooms; discounts at the UVA Bookstore and faculty dining room featuring Feast; and much more.

Through a generous grant from the Alumni Board of Trustees, we are able to offer all newly hired, full-time faculty a complimentary membership to the Colonnade Club for their first year at UVA. Going forward, dues are also relatively inexpensive—membership dues are normally \$220/year for faculty and staff. There is also a 50% discount for the first year faculty and staff pay dues, which allows for new faculty who join the Club the same year they join UVA to pay \$0, \$110, and then \$220 in dues over their first three years of membership.

**To learn more about the Colonnade Club and meet Club members, please join us for a free reception to welcome new faculty on Thursday, September 5th from 4:30-6:30 pm in Pavilion VII.**
