BIOMEDICAL DATA SCIENCE SEMINAR SERIES

JOIN US!

We hope you will tune-in on most Fridays this November through April at 12 - 1 PM ET for the 2024-2025 Biomedical Data Science Seminar Series! These virtual presentations will highlight this year's Biomedical Data Science Innovation Lab theme: Quantitative Approaches in Spatial Multi-Omics for Guiding Personalized Medicine. We have an impressive line-up of seminars composing of experienced speakers from the National Institutes of Health, University of Pennsylvania, University of Virginia, University of California, Los Angeles, University of North Carolina, and more!

Visit our website or YouTube Channel to view this year's Seminar Series schedule, watch our live seminars, and access recordings of all our past lectures.

TOPIC HIGHLIGHTS

- Single Cell Multi-Omics
- Predicting Cancer Risk
- Genetic Effects on Brain Structure

WHEN

Fridays
11.8.24 - 4.25.25
12 - 1 PM ET

WHERE

The Foundations of Biomedical Data Science YouTube Channel

ALL ARE WELCOME TO OUR FREE VIRTUAL SEMINARS!
