

Celebrate National Clinical Trials Day!

Cookies for Coordinators PHOTO CONTEST

Clinical Research Coordinators (CRC) are the backbone of clinical trials. CRCs ensure the success of clinical trials, improve patient care, and advance medical research. With unwavering dedication, CRCs drive scientific discovery and better health worldwide.

To celebrate CRCs, we invite clinical research teams to **submit ONE photo** that captures the essence of their daily work, spirit, or dedication.

Join the celebration!
Enter the contest!

The winning team will receive a sweet treat in appreciation.

Submit your photo by 5 PM on May 12, 2025:

Email to: ithrivadmin@uvahealth.org

Cookie prize is limited to a single 50-pack cookie delivery to one address for a single CR team.

Open to iTHRIV partner institutions: UVA, Carilion Clinic and Virginia Tech employees. Other terms and conditions may apply.
