

Hello Parents/Guardians of our potential campers!

We are very excited to begin our application process for our 2015 summer camp program at Camp LIGHT! Camp will be held for 5 weeks this summer: Tues, Wed and Thurs June 16-18 and June 23-25, July 14-16, July 21-23, and July 28-30, from 9am to 4pm. Applications are open to youth ages 6 -17 with chronic illnesses, physical disabilities, and other medical conditions, as well as at risk youth. Campers attend at no cost to the families.

We held our first summer camp weeks in 2014 and had an incredible time! Our programs revolved around nature and exploration, arts and crafts, outdoor games, teaching environmental responsibility through reduce, reuse, recycle, sensory fun, music, and lots of dancing! Our goals were to teach teamwork, leadership, inclusion, following direction, and to just have FUN!

We will continue some of the successful programs from last year and have even more fun in store this year! We will be working with therapy animals, focusing on self esteem and anti-bullying, music therapy, and more!
