

UVA DIVISION OF GASTROENTEROLOGY AND HEPATOLOGY

Friday, May 12, 2023

H. pylori and Gastric Cancer Symposium

UVA School of Medicine Pinn Hall Conference Center Auditorium

In-person event. Not CME or MOC eligible

Moderators: Andrew Wang, MD and Neeral Shah, MD

7:45 to 7:55 AM

Introduction

Andrew Wang, MD, University of Virginia

8:00 to 8:20 AM

The impact of the discovery of *H. pylori* on peptic ulcer disease and gastric cancer

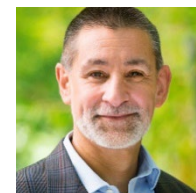

David Peura, MD, University of Virginia

8:25 to 8:45 AM

Face-to-face with *H. pylori* at the gastric epithelium

Manuel Amieva, MD, PhD, Stanford University

8:50 to 9:10 AM

H. pylori research in China

Pengyuan Zheng, MD, PhD, Marshall Medical Research Centre, The Fifth Affiliated Hospital, Zhengzhou University, China

9:15 to 9:35 AM

Approach to detecting and treating early gastric cancer: lessons learned from Japan and South America

Fabian Emura, MD, PhD Emura Foundation & Universidad de la Sabana, Bogotá, Colombia

9:40 to 9:55 AM

Break

10:00 to 10:20 AM

Significance of atrophic gastritis and gastric intestinal metaplasia and are screening and surveillance cost-effective?

Shailja Shah, MD, MPH, University of California San Diego

UVA DIVISION OF GASTROENTEROLOGY AND HEPATOLOGY

10:25 to 10:45 AM Biomarkers and strategies for early detection of gastric cancer

Haejin In, MD, MPH, MBA, Rutgers University

10:50 to 11:10 AM Changing the U.S. Paradigm: H pylori, the USPSTF, and next steps in gastric cancer prevention and management

Joo Ha Hwang, MD, PhD, Stanford University

11:15 to 11:25 AM **Open Discussion**

David A. Peura, MD Endowed Lecture at UVA Department of Medicine Grand Rounds

UVA Health Education Resource Center (ERC) Auditorium

In-person event - CME and MOC points eligible.

Virtual link for DOM Grand Rounds:

<https://virginia.zoom.us/j/97499145280?pwd=QlIBQVdpMThabVNjck5nRWQySDRSQT09>

12:00 to 12:10 PM Words about Dr. Peura, thanks to donors of the Peura endowment, and introduction of Dr. Marshall

Neeral Shah, MD and Mitch Rosner, MD (Chair DOM)

12:10 to 1:00 PM David A. Peura, MD Inaugural Endowed Lecture: H. pylori and the Journey to the Nobel Prize

Barry Marshall, MBBS (Nobel Laureate)

- **UVA Research Fellow, gastroenterologist, and Professor of Medicine, 1986-1996**
- Awarded the 2005 Nobel Prize for Physiology/Medicine for the discovery (with Robin Warren) of the bacterium *Helicobacter pylori* (*H. pylori*) and its role in gastritis and peptic ulcer disease
- Clinical Professor at the University of Western Australia

**All faculty, staff, trainees and students in the
UVA School of Medicine are welcome to attend both events!**
