The UVA Voice & Swallowing Center, in partnership with the Central Virginia SD Support Group, presents the

Spasmodic Dysphonia Regional Symposium

December 9, 2023

1:00 PM - 4:00 PM

**Charlottesville's Northside Library
705 West Rio Road, Charlottesville, 22901**

We welcome anyone with SD, tremor or other voice disorders, their loved ones and caregivers, as well as healthcare professionals and students. Hear from medical experts on current research, trends, and treatments for spasmodic dysphonia and tremor, followed by a support group panel focusing on living with a voice disorder. Light snacks will be provided. Please register here using this link – [SD Symposium Registration](#) – or the QR code below:

Speech-Language Pathologists will receive
ASHA CEUs for this course.
